

AGED CHINAMAN

MISER MURDERED IN
DOUGLAS COUNTY

Roseburg, Or., June 15.—An aged Chinaman who has resided in the vicinity of Riddle during the past 25 years, and who is a well known character throughout the entire county, was found dead near his cabin shortly after 5 o'clock yesterday. An examination of the body revealed the fact that he had been murdered, his face and head being battered about beyond recognition. The last view of the aged hermit was last Friday, when he visited Riddle, purchasing a quantity of gold dust for an equivalent in money. It is presumed that he was followed on his return by the person or persons responsible for the crime, being attracted as he started to enter his cabin, which is situated at an isolated spot about six miles from Riddle. From all appearances the Chinaman was struck a blow on the head with a blunt instrument, after which the murderer inflicted other injuries, either of which would have resulted in death.

The officers entertain the belief that the murder was committed for the purpose of robbery, the victim having been known to have considerable cash concealed about his person. Local Chinatown is wrought up over the murder.
