WORTH MOUNTAINS OF GOLD

During Change of Life, says Mrs. Chas. Barclay

Graniteville, Vt.—"I was passing through the Change of Life and suffered from nervousness and other annoying symptoms, and I can truly say that Lydia E. Pinkham's Vegetable Compound has proved worth mountains of gold to me, as it restored my health and strength. I never forget to tell my friends what Lydia E. Pinkham's Vegetable Compound has done for me during this trying period. Complete restoration to health means so much to me that for the sake of other suffering women I am willing to make my trouble public so you may publish this letter."—MRS. CHAS. BARCLAY, R.F.D., Graniteville, Vt.

No other medicine for woman's ills has received such wide-spread and unqualified endorsement. No other medicine we know of has such a record of cures of female ills as has Lydia E. Pinkham's Vegetable Compound.

For more than 30 years it has been curing female complaints such as inflammation, ulceration, local weaknesses, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration, and it is unequalled for carrying women safely through the period of change of life. It costs but little to try Lydia E. Pinkham's Vegetable Compound, and, as Mrs. Barclay says, it is "worth mountains of gold" to suffering women.

REALLY PRAY FOR RAIN IN OREGON

Salem Residents See Need of Moisture to Bring Forth Harvest.

Salem, Or., June 25.—Those people who have been casting slurs at Oregon and saying that it rains here 13 months in the year will have to do some crawfishing, for up at Salem they are praying for rain. Colonel E. Hofer has issued an appeal to the people at Salem to pray and pray hard for rain today. It is announced that there is most urgent need for rain to make the grain, hay and cherry crops, and that while it is a new thing to pray for rain in Oregon, this is a case of necessity and the people ought not to be ashamed to resort to prayer.

Colonel Hofer publicly announces that he believes in the power of prayer to bring rain. He considers this better than the Weather Bureau, which has twice made forecasts for rain, but failed to bring up a solitary cloud. According to the Colonel, if only one minister with a large congregation will pray for rain earnestly and believing in results, there will be showers. If all the churches would pray for rain there would be a week of precipitation and the trouble would be to stop it, after the rain started.

All prayer meetings held in Salem this evening are urged to devote their energies to bringing a good, substantial precipitation.

TOLD CLEVELAND HE WAS TOO EASY

Brandenburg on Witness Stand Leads Up to Explanation of Cleveland Letter.

New York, June 24.—Broughton Brandenburg went on the witness stand today in his trial for grand larceny in the second degree for the alleged fraud in connection with his sale to the New York Times of letters purporting to have been written by Grover Cleveland. The trial was resumed today after a delay caused by the illness of one of the jurors.

Brandenburg said he was in conversation with Cleveland one day and the ex-president told him how much he had been receiving for his contributions to newspapers and magazines. The sum was not large enough in Brandenburg's estimation, he testified, and he told Cleveland that he was being imposed upon.

"I offered him $2,000 for a series of three articles and was to secure my compensation over this sum from the newspapers or magazines in which the articles were printed.

"On March 5, I saw Mr. Cleveland in his office here. He took from his desk a bundle of papers which he said contained his thoughts along the line on which we had been talking. It was a scattered mass of matter not arranged consecutively. We looked the papers over and I suggested some changes."

Brandenburg then stated that these papers embodied the matter printed August 20, signed with Grover Cleveland's name.

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

Weak and unhealthy kidneys are responsible for much sickness and suffering, therefore, if kidney trouble is permitted to continue, serious results are most likely to follow. Your other organs may need attention, but your kidneys most, because they do most and should have attention first. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root. A trial will convince you of its great merit.

The mild and immediate effect of **Swamp-Root**, the great kidney and bladder remedy, is soon realized. It stands the highest because its remarkable health restoring properties have been proven in thousands of the most distressing cases. If you need a medicine you should have the best.

Home of Swamp-Root.

Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—if you do you will be disappointed.
