Price Carnival for Four Days

"BARGAINS"---is a plain flat word and yet there's nothing else to express what this value giving stands for. Four days beginning Wednesday, we present the truly wonderful collection of price inducements. We've set out with the determination to crowd the store. We've had instruction to present the merchandise that you want most, the merchandise that is selling freely, and to present it to you at a price that is sure to bring a ready response. In gauging the price, the quality and statements throughout, bear in mind that we stick to facts absolutely. Exaggerated statements are not permitted. It is bargain news that you'll not be likely to read for many a day to come.
