CITY NEWS

The Fairmount meat market will be open for business July 1st. Try them.

Household goods arrived here this morning for H. E. Barka, from the East.

Mrs. Munday and daughter have moved to Eugene from Cottage Grove.

The regular monthly meeting of the Commercial Club will be held this evening.

E. E. Mink was let out of the Eugene hospital this morning after an illness of several months.

C. A. Osterholm, a prominent University student, has accepted a position in Hill's gun store.

A marriage license was issued today to James E. Patten, of Cottage Grove, and Miss Ida E. Manney, of Dexter.

J. C. L. Wooley has resigned his position as carrier on R. F. D. 3, and Herbert Sims will carry the route in the future.

The family of Dr. E. A. McAllister has gone to Newport. He also leaves Wednesday morning to spend the summer there.

I. B. Hammond, patentee of the Hammond dredger, which is being used by the contractors for excavating the city's power canal on the McKenzie, returned to Portland this morning after a trip to the scene of operations. The dredge is doing good work.

Architect Ford is drawing plans for a farm bungalow to be built by Hon. H. B. Miller on his farm near Sheridan, Ore.

Registrar Tiffany stated this afternoon that fifty had signed up on the opening day for summer school work at the University.

The rear wall of the Marx brick building was torn out today preparatory to the erection of the two-story addition to be built.

Another man was fined \$1 in the police court this morning for riding his bicycle on the sidewalk where the streets are paved.

Mrs. J. J. Harden is building an 8-room house in Walnut addition. D. L. Harden, the architect, planned the home for his mother.

Letters in answer to advertisements remain at the Guard office for "M. E. M.", "A. S. D." and "M." Please call and get them.

Popular prices will insure a splendid audience for "The Deedrick Skewl," at the Eugene Theatre Friday night, July 2. Only 50 cents for general admission.

Rev. W. T. Wardle, a national secretary of the Presbyterians, preached yesterday in the absence of Pastor Mount, of the Central Presbyterian church. Rev. Mount

will probably be back from his trip to the East next Sunday.

H. Chezem, the real estate dealer, yesterday killed a small rattlesnake on his farm in the Spencer Creek valley. It is seldom the rattlers are killed in this vicinity.

The Oregon Engineer, the University's engineering magazine, will issue its second edition tomorrow. The first edition about two months ago received favorable mention.

Miss Angie Williams left for her home at Oregon City yesterday. She is an instructor at the University in the department of English literature and will be back again next year.

Materials for the concrete frames for the Eagles' building foundation have been delivered at the site of the building and work on the foundation will begin within a few days.

A car load of granite arrived here this morning from the Oregon Granite Co. at Medford for the columns to be erected at the head of Willamette street on the S. P. depot grounds.

Marriage licenses were granted this morning to the following couples: Arthur L. Lott and Miss Olive J. Boggs; Charles E. Carson and Miss Lillian Adams. Both couples reside at Springfield.

The Oregon Agricultural College is sending catalogs to every eighth grade and high school student in Lane county, indicating that their advanced standard may not go into actual effect for another year or so.

George Frank was fined \$50 in the police court this morning on a charge of disorderly conduct. It is charged that he was found in a room in the annex to one of the hotels with two women.

Mrs. Thomas Drinkwater was stricken with paralysis this morning at her home in the Holden building. She is the wife of the shoe merchant in the same building. This afternoon her condition was very dangerous.

Sunday afternoon between six and seven o'clock a huge kite made of light wooden slats was seen flying in the southern part of the city several hundred feet high. Some thought it might be Wright Bros. or Lee Hurd's airship.

The trial of William R. Walker, charged with murder in the second degree, will begin just as soon as the jury in the case of the State vs. C. S. Lupton, now being tried, has gone out, which will probably be this evening some time.

Among the recent car load shipments into Eugene were the following: A car of plumbers' pipe for K. L. Hall, a car of mill feed for Warnock Bros., a car of tile for the Chambers Hardware Co., an several of lumber and logs.

Mr. and Mrs. P. D. Gilbert last night entertained the Foley Springs bunch and their wives, all escaping with their lives. The men told stories on each other and the women applauded the exaggerations as well as the truths and believed whatever

they felt like. Then there were numerous things to eat, including ice cream. Fish was prominent in the menu of the evening.—Albany Democrat.

That beautiful, inspiring, and classical poem, "Mary had a little lamb," as rendered by Eddie Snooks in the Deedrick Skewl, Friday night, July 2, is alone well worth the price of admission. Eugene Theatre. 11

There was received at The Guard office a few days ago an answer to a classified advertisement which appeared in these columns from Cleveland, Ohio. This shows how extensive the circulation of The Guard is.

If your mail carrier happens to be late on Mondays don't complain. Their packs are usually twice as big as on ordinary days. One of them carried 131 pounds one morning last week. Others have done even more.

Roseburg Review: J. W. Depries, the machinist, left for Eugene this morning to drive a Rambler auto bus from that city to Myrtle Creek, where it will be used by the purchaser, Willard Willis, in his livery business between that town and the S. P. depot.

George F. Croner arrived down from McKenzie Bridge this afternoon to spend a few days here on business. He says the summer tourist travel has already set in, but the great rush will begin after the Fourth of July. George is running the Belknap Springs resort, while his wife is conducting the Log Cabin hotel at McKenzie Bridge.

There is quite a scene of building activity in the territory covered by the big fire of a few weeks ago. Brick work was begun this morning on the two-story annex to the First National bank building. Excavation was commenced for the basement of R. M. Pratt's addition to his brick block and the frames are up for S. H. Friendly's concrete warehouse.

The Willamette Land Co., of this city, has printed a splendid pamphlet advertising Eugene and the company's tract five miles northeast of Eugene, near the confluence of the McKenzie and Mohawk rivers, which it calls "Willamette," the name being the first syllables of Willamette and McKenzie. The pamphlet, distributed judiciously, should be the means of advertising this community extensively.

Lebanon Express: Prof. M. G. Cleaver was in Eugene recently to make arrangements for the opening of the Miller-Cleaver Business College in that place. Profs. Cleaver and Miller are very capable and experienced instructors and will conduct one of the best business colleges in the state. Pupils attending a small business college have an advantage over those attending a large school, in that they can receive much more personal instruction, and thus made faster progress.

If you want chinaware or granite-ware, get our prices first. Our dishes are all new patterns. Bacon Bros. Tea Co., 55 East Ninth street. Ice cream by quart or half gallon. Phone Palace of Sweets, Black 1221.
