ALFALFA YIELDS FOUR CROPS IN VALLEY UNDER IRRIGATION

A. R. Black, Irrigation Promoter, Has Convincing Evidence from Albany

A. R. Black, the irrigation promoter, is exhibiting a convincing argument in favor of irrigation today. It consists of a report of alfalfa, cut June 21, on land near Albany, where the government is conducting irrigation experiments, and this alfalfa, which is about three feet in length, was from the second crop this year. The conclusion is that Willamette valley land under irrigation will produce four crops of alfalfa a year besides probably a splendid fall pasture.

DATA ON BOHEMIA MINING DISTRICT

The Bohemia mining district, in Lane and Douglas counties, Oregon, is described in a brief report by D. F. MacDonald that form part of the United States Geological Survey's Bulletin 380—"Contributions to economic geology, 1908, Part I." This district lies on Chapoyva Mountain, in a region of bold relief and luxuriant vegetation—a region noted for its timber resources.

A HELPING HAND.

There are many enthusiastic citizens in Eugene prepared to tell their experience for the public good. Testimony from such a source is the best of evidence, and will prove a "helping hand" to scores of readers. Read the following statement:

Mrs. W. D. Wood, formerly of 385 W. Eighth St., Eugene, Or., says: "I have used Doan's Kidney Pills with fine results and have also given them to different members of my family, troubled with weak kidneys. I suffered from a lame and aching back and a stiff, listless feeling which made life a burden. Doan's Kidney Pills procured at De Lano's drug store cured me. This remedy is other cases similarly afflicted."

MINNESOTA WOMAN GIVES BIRTH TO FIVE CHILDREN AT ONCE

A correspondent from Leaburg writes The Guard as follows: "Editor Board:—Allow me to send you a clipping taken from the Galena Weekly Gazette, of Galena, Ill., and allow me to say that while Oregon, and Eugene in particular, is rapidly increasing in population, we are not the only state, as the enclosed clipping will show, for Wisconsin is in my opinion 'taking the lead.'"

The clipping referred to is as follows: "En Claire, Wis., May 22.—Mr. and Mrs. Fay Irish, of Thorp, Clark county, are the proud parents of five babies, three girls and two boys. The quintet all are alive and well, according to the physician who filed the birth certificate yesterday.

There are now ten children in the family. The other five came one at a time and are all alive. The relatives of the Irish family, most of whom live in Black River, Wis., are preparing to give 'becoming presents' to the new born. The relatives include Mrs. H. J. Ormsby and Mrs. H. W. Northrup, of Black River.

A SQUARE DEAL AND A SQUARE MEAL

Here's a square deal for the people who can't eat a square meal without after pain and distress. Go to the Red Cross Drug Store today and get a box of Mi-o-na tablets, the great prescription for indigestion and stomach troubles.

Take one, or if you suffering is intense, two tablets with or after meals and at the end of ten days if you can't eat a square meal without pain and get your money back.

That's where the square deal comes in. But Mi-o-na is really a stomach upbuilder of great merit; every day the makers receive more than a dozen letters from grateful people who state that after they had lost all hope Mi-o-na cured.

The quick and positive action of Mi-o-na on the stomach in case of gas, waterbrash, sour stomach and heartburn is worth a lot of money to any sufferer.

Why not try Mi-o-na at the Red Cross Drug Store's risk. Fifty cents buys a large box. E. D. Howe, Gardner, Mass., says: "I suffered with severe pains in my stomach. I tried different remedies without relief; after using two boxes of Mi-o-na I found myself completely cured."

Mi-o-na is sold by all leading druggists everywhere.
