Tell Some Sick One

It Is Free If It Fails.

Will you do an act of Humanity?
Will you tell some sick friend of this, my remarkable offer?

Tell him or her that you have learned of a medicine so certain that its maker dare say to the sick, "It is absolutely and unconditionally free if it fails."

And you, no doubt, already know of Dr. Shoop's Restorative and its popularity.

For 20 years it has been the standard remedy for Stomach, Kidney and Heart ailments everywhere in America.

When the "inside" or controlling nerves of these vital organs begin to fail, it is Dr. Shoop's Restorative that has quickly vitalized, and strengthened, and brought these nerves and organs back to health again.

I do not dose the Stomach, nor stimulate the Heart or Kidneys—for that is all wrong.

Dr. Shoop's Restorative goes direct to the *cause* of these ailments—the failing, faltering, inside or controlling nerves. And herein lies the keynote to my success.

When these nerves are again made well and strong, then that is the certain end of all such sickness.

To me it is a great satisfaction that I am the only physician able to say to the suffering sick, "Take my prescription for full 30 days, and if it fails to help you, the entire expense is mine—not yours."

Then why should the sick take any chance on any other medicine, whose maker dare not back it just as I do by this remarkable offer?

I also have a Rheumatic Remedy—and that remedy is covered by the same identical "No help, no pay" protective plan.

Besides, you are free to consult me just as you would your home physician. My advice and the book below are yours—and without cost.

Perhaps a word or two from me will clear up some serious ailment. I have helped thousands upon thousands by my private prescription or personal advice plan. My best effort is surely worth your simple request.

So let me send you an order at once. Take the message to some sick friend.

A postal will bring the opportunity.

I will have an honest and trustworthy druggist to whom you can conveniently go for the 30 day test.

But first, ask me for the order, for all druggists are not authorized to give the 30 day test.

So write me now and save all delays. Remember that tomorrow never comes. Address Dr. Shoop, Box 12, Racine, Wis.

Which Book Shall I Send You?

No. 3 On the Kidneys

MILITIAMEN WILL SHOOT ON NEW STATE RIFLE RANGE

Orders Just Issued for Four Teams to Compete at Clackamas

Orders for the annual state rifle competition, in which 24 teams of riflemen representing every section of the state where National Guard troops are stationed will compete for trophies and medals, were issued yesterday from headquarters of the Oregon National Guard, says the Oregonian.

Four important contests to establish the supremacy in rifle marksmanship of the various organizations are provided, together with a match for revolver marksmen. The competition will open August 1 and will continue until August 3, or until the matches are completed.

The four important rifle matches named in the orders are the state trophy match, the state medal match, the state individual match and the Governor's trophy match. The one about which the greatest interest centers is the Governor's trophy match, inasmuch as it will establish the regimental championship. Heretofore these laurels have gone to the Fourth Regiment, of Southern Oregon, owing to the better facilities for preliminary practice on the Southern Oregon rifle ranges. This year, however, the Third Infantry has had the advantage of the new Clackamas range and is confident of a different outcome. This match will be hard fought and it will be hard to pick the winner in advance, although the Southern Oregon command would seem to have a slight advantage.

WAGON ROAD OPENED AS FAR AS ACME

Supervisor Noffsinger Reports Good Progress on the New Highway Along Siuslaw

Supervisor Noffsinger informs the Florence West that the wagon road between Mapleton and Florence is now opened down the river as far as Acme. He has a few men putting in some corduroy and some culverts.

He has drawn $526.82 from the special tax fund and there is $87.50 due for labor to date and he expects to use $25 or $30 more. That will make about $644.32 paid out between the ten mile mark and Acme on a little over two miles of road. Of this 1 1-3 miles is new road.

Mr. Noffsinger's estimate was about $750, including powder, tools and supervisor's wages which are paid from other funds. The entire cost may be a little less than his estimate.

He expects to have about $400 to use for grading below Acme this fall after the road is resurveyed.

BAD FIRE IN THE BUSINESS DISTRICT NARROWLY AVERTED

Blaze in Rear of Brownsville Woolen Mill Store at Early Hour This Morning

What might have been a serious fire in the business district was narrowly averted early this morning. At About 2:30 o'clock a blaze was seen issuing from the corrugated iron warehouse in the rear of the Jake Berger building, occupied by the Brownsville Woolen Mill store. An alarm was sent in and the department responded in quick order, soon extinguishing the flames. The interior of the warehouse was pretty badly damaged, but the loss is nominal, as there was nothing of value in the building. A window leading from the warehouse to the woolen mill store had been left open and had the fire gained a little more headway before being discovered, the store might have burned. As it was, the room was filled with smoke, but no damage was done to the goods.

The cause of the fire is hard to determine, but it is thought to have been incendiary, as there had been no one in the warehouse for several days.

There are many enthusiastic citizens in Eugene prepared to tell their experience for the public good. Testimony from such a source is the best of evidence, and will prove a "helping hand" to scores of readers. Read the following statement:

Mrs. W. D. Wood, formerly of 383 W. Eighth St., Eugene, Or., says: "I have used Doan's Kidney Pills with fine results and have also given them to different members of my family, troubled with weak kidneys. I suffered from a lame and aching back and a tired, listless feeling which made life a burden. Doan's Kidney Pills, procured at De Lano's drug store, soon relieved me of these annoyances and I do not hesitate to recommend this remedy to other persons similarly afflicted."
