KETCHEL GIVEN DECISION

Papke Says Robbery in Regard to the
Referee's Verdict

San Francisco, July 5.—Stanley Ketchel retained the middleweight championship title against Billy Papke at the Mission street arena this afternoon in their twenty-round fight by the merest thread and largely through the courtesy of Referee Billy

Roche. It was not a popular decision nor one that was merited, and ninetenths of the vast crowd that was on hand received the surprise of its life when Roche raised the hand of Ketchel in the air to signify that he had won on points.

To the fact that Papke held on for the last two or three rounds and that he was knocked down in the tenth, at which stage Ketchel was at his best, can be charged his defeat. Round by round, however, the little Illinois man had a lead over Ketchel, and if there was any shade to a fight that came to be a thorough disappointment before it was finished, that shade belonged to Papke.

"I was robbed," declared Papke. "I ought to have known better than to accept Roche as the referee. There was never a chance for Ketchel to lose, unless I knocked him out. A draw was the very worst I should have received."

PRESIDENT TAFT IN THE ROLE OF A BASEBALL PITCHER.

Mr. Roosevelt may well look to his strenuous laurels when he sees this picture of his successor on the baseball diamond. It is a snapshot of the president hurrying up an inshoot at the opening of the Yale game which took place in Pittsburgh recently. While Mr. Taft admits that baseball is a bit too strenuous for him, he probably is the most ardent fan that ever occupied the presidential chair. He not only knows all the fine points of the game, but keeps in touch with the standing of the clubs in the big leagues and knows something of the batting and fielding averages of most of the stars.

Increased his famous point score of 7130 1-2 to 7355 in the all-around championship contest of the Amateur Athletic Union yesterday at New York. Matsuke's score was shriveled

in the back room of the store, where the floor was damp from melting ice, and had evidently taken hold of a brass fixture, thus completing the circuit. Her arm and hand were quite severely burned. A man at one of the hotels was also severely shocked. Mrs. Benson was 35 years old.

WOMAN ELECTROCUTED

AT HILLSBORO, OR.

Hillsboro, Or., July 5.—Mrs. Edward Benson, wife of the proprietor of the Benson confectionery store, was accidentally killed about 9 o'clock yesterday evening by a short circuit in the electric light system. The wind and rain had disarranged the wires on the street and allowed a 2300-volt wire to touch the incandescent wires. The woman went into

HAYRAKE PERFORATES
BOY IN 100 PLACES

Halsey, Or., July 5.—The 18-year-old son of a farmer named Andrew Ayers, who lives near town, had a miraculous escape from death when a spirited young team hitched to a hay rake ran away, throwing the boy under the rake, which caught and carried him and in some manner perforated his body in over a hundred places. He was carried about 40 yards when the horses jumped a fence, which caused the rake to drop the boy.

Medical aid was quickly summoned by phone. It is thought the lad will recover.

Eighth St., Eugene, Or., says: "I have used Doan's Kidney Pills with fine results and have also given them to different members of my family, troubled with weak kidneys. I suffered from a lame and aching back and a tired, listless feeling which made life a burden. Doan's Kidney Pills, procured at De Lano's drug store, soon relieved me of these annoyances and I do not hesitate to recommend this remedy to other persons similarly afflicted."
