ONLY NINE LOTS UNSOLD IN ADDITION

There are only nine lots remaining unsold in the Blair street addition to Eugene. All the other lots and many of the acre tracts have been disposed of and many of them built upon. The owners would like to close all these lots out this month, and will make reasonable prices and terms to suit the purchaser in order to do so. You can pay down any reasonable sum as an evidence of good faith and the balance in small monthly payments.
With every prospect of an electric line through this tract before the summer is over, this offers the best opportunity for home seekers or small investors that can be found in Eugene.
See any Eugene real estate dealer for prices and terms.

Vagaries of a Cold.
You can never be quite sure where a cold is going to hit you. In the fall and winter it may settle in the bowels, producing severe pain. In the summer it may give you colic with diarrhoea or summer complaint. Do not be alarmed nor torment yourself with fears of appendicitis or inflammation of the bowels. At the first sign of the pain or cramp take Perry Davis' Painkiller in warm, sweetened water and relief will come at once. There is but one Painkiller, Perry Davis'. It is now put up in a large 35c size as well as the regular 50c size.

In sickness, if a certain hidden nerve goes wrong, then the organ that this nerve controls will also surely fail. It may be a stomach nerve, or it may have given strength and support to the heart or kidneys. It was Dr. Shoop that first pointed to this vital truth. Dr. Shoop's Restorative was not made to dose the stomach nor to temporarily stimulate the heart or kidneys. That old-fashioned method is all wrong. Dr. Shoop's Restorative goes directly to these failing inside nerves. The remarkable success of this prescription demonstrates the wisdom of treating the actual cause of these failing organs. And it is indeed easy to prove. A simple five or ten days test will surely tell. Try it once and see. Sold by all dealers.

If you are looking for nice clean rooms or rooms with the best of board, it would be to your interest to visit the new "Park Hotel," opposite freight depot. The place has been entirely renovated. Rates are reasonable.

A HELPING HAND.

Is Gladly Extended by a Eugene Citizen.

There are many enthusiastic citizens in Eugene prepared to tell their experience for the public good. Testimony from such a source is the best of evidence, and will prove a "helping hand" to scores of readers. Read the following statement:
Mrs. W. D. Wood, formerly of 385 W. Eighth St., Eugene, Or., says: "I have used Doan's Kidney Pills with fine results and have also given them to different members of my family, troubled with weak kidneys. I suffered from a lame and aching back and a tired, listless feeling which made life a burden. Doan's Kidney Pills, procured at De Lano's drug store, soon relieved me of these annoyances and I do not hesitate to recommend this remedy to other persons similarly afflicted."
For sale by all dealers. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
Don't forget the name—Doan's—and take no other.

DIED

At her home in Eugene Saturday evening, July 17, 1909, Mrs. Sidney S. Terrill, wife of Professor A. C. Terrill, formerly of the University of Oregon. She had been ill only a short time, and her husband, who was at Seattle attending the Y. M. C. A. school preparatory to entering upon his work as secretary of the Eugene association, did not even know of her illness. He was apprised of her death by wire Saturday evening. Mrs. Terrill was the sister of Mrs. Guy Stockton, of this city, wife of the city school superintendent; also of Miss Alberta Jones, of this city. She leaves a father, John W. Jones, and two more sisters at Denver.
The funeral will not be held probably until Saturday, in order to await the arrival of relatives from Colorado.

Phil Sterling Ellensburg, who has been taking treatment at a Cottage Grove hospital for the past week, died Wednesday. He is the son of Mr. and Mrs. Charles Ellensburg, of Drain, formerly of Eastern Oregon. Several weeks ago he was in the city for medical treatment and it was thought he had fully recovered, he returning to his Eastern home. After remaining but a short time he grew rapidly worse, and was brought back to this city again for treatment. The boy was 12 years, 7 months and 15 days old. He died of a complication of rheumatism and heart trouble, the medical term being endocarditis. Western Oregon.

At Marcola, July 17, 1909, Mrs. Nellie Castle, wife of Henry Castle, aged 21 years. The remains were conveyed to Cottage Grove for interment.
