

A Clean Man

Outside cleanliness is less than half the battle. A man may scrub himself a dozen times a day, and still be unclean. Good health means cleanliness not only outside, but inside. It means a clean stomach, clean bowels, clean blood, a clean liver, and new, clean, healthy tissues. The man who is clean in this way will look it and act it. He will work with energy and think clean, clear, healthy thoughts.

Dr. Pierce's Golden Medical Discovery

prevents these diseases. It makes a man's insides clean and healthy. It cleans the digestive organs, makes pure, clean blood, and clean, healthy flesh.

It restores tone to the nervous system, and cures nervous exhaustion and prostration. It contains no alcohol or habit-forming drugs. Constipation is the most unclean uncleanness. Dr. Pierce's Pleasant Pellets cure it. They never gripe. Easy to take, as candy.

GRAIN HARVEST WILL BE TWO WEEKS LATE THIS SUMMER

Good Yield of All Crops Expected on Lane County Farms

Harvest will be two weeks late in the upper Willamette Valley. In a few fields binders are already at work, mostly on oats. Grain prospects are much better in this part of the state than they have been in the past few months, and the valley grain yield will be greater than has been expected.

Fall grain will yield an average crop in the upper valley, while back in the foothills there will be a heavy crop. The hill ranches received more rain early this spring than did the center of the valley and the result is very apparent in the present appearance of the crop. On many hill farms in Lane county there will be a record-breaking yield of fall grain.

In spite of the unprecipitated lack of rain in the past three months, spring grain will yield an average crop. The late rains are bringing the spring-sown crop out nicely and indications are for a fair yield. Without the heavy rains two weeks ago, however, spring grain in Lane county would be in poor condition now. The effect of that downpour was wonderful and the damage it did to hay and cherries will be far overbalanced by the good to all growing grains and late vegetables and fruits.

Due to the over growing tendency toward diversified farming and the utilization of land for fruit culture, poultry raising and dairying in the Willamette Valley, the acreage in grain is smaller in Lane county this year than in former years, so the total wheat yield of this county will be less than in preceding seasons.

Do You Get Up With a Lame Back?

Kidney Trouble Makes You Miserable.

Almost everyone knows of Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because of its remarkable health restoring properties. Swamp-Root fulfills almost every wish in overcoming rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night.

Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble, it will be found just the remedy you need. It has been thoroughly tested in private practice, and has proved so successful that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all druggists. Don't make any mistake but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

ROOTS, HERBS AND BARKS.
You can no doubt recall the collection of roots, herbs and barks your grandmother made every fall for the family medicine chest.

It is interesting to note that the most successful remedy for female ills had its origin more than 30 years ago in one of these home medicine chests, and Lydia E. Pinkham's Vegetable Compound is made today in immense quantities from those same roots and herbs with extreme accuracy, care and cleanliness.

DON'T BE MISLED.
Many a life has been cut short by a cough that was not believed to be serious. Many a backache and sideache follows a coughing spell. Many a night is passed in restlessness caused by coughing. Many a cough "cure" that never cures is tried. Do not be misled. If you cough, take the old reliable Kemp's Balsam, the best cough cure. At druggists' and dealers, 25c.

The want ads, probably have a few messages for you to-day. Some of them, perhaps, will not "wait" either.
