

Not Sisters

Now and again you see two women passing down the street who look like sisters. You are astonished to learn that they are mother and daughter, and you realize that a woman at forty or forty-five ought to be at her finest and fairest. Why isn't it so? The general health of woman is so intimately associated with the local health of the essentially feminine organs that there can be no red cheeks and round form where there is female weakness.

Women who have suffered from this trouble have found prompt relief and cure in the use of Dr. Pierce's Favorite Prescription. It gives vigor and vitality to the organs of womanhood. It clears the complexion, brightens the eyes and reddens the cheeks.

No alcohol, or habit-forming drugs is contained in "Favorite Prescription." Any sick woman may consult Dr. Pierce by letter, free. Every letter is held as sacredly confidential, and answered in a plain envelope. Address: World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.

SERIOUS ACCIDENT TO IRVING MAN

Special Correspondence.
Irving, July 20.—John Zumwalt met with quite a serious accident one day last week, and one that might have proven very serious. As it was he suffered severe injuries. He was making some repairs at the barn of C. Gersbach, about the hay carrier, and in some manner, while being elevated by the derrick came in contact with the timbers and was badly bruised before he could be liberated. A. C. Yates, who has a position with Egbert & Young at Portland, is home recuperating after a severe attack of appendicitis. He is improving rapidly and will soon be able to resume his work.
Frank L. Bond has entered the railroad service as a student. He is at present on the Cottage Grove local. This makes the second boy from Irving, as Mac Awbrey accepted a similar position a few weeks ago, and is working on the West Side division. There will be several from this vicinity go to Spokane to register for the drawing of land thrown open from the reservations. Of course each one expects to be successful, or at least is willing to take the risk.
Geo. Wisarson and children went to Sagle Sunday to visit relatives. Archie Warthen went to Cottage Grove Sunday afternoon.
J. S. Ball has an offer for his property in Irving and will likely accept it. He will go back to Tacoma, where he formerly lived.

ELMIRA ITEMS

Special Correspondence.
Elmira, July 20.—Everything you hear nowadays is railroad. Of course we want the railroad to go through Elmira.
Dewitte Evers, the 3-year-old son of Moses Evers, is very sick, the result of eating cherries and then drinking milk, which acts on some people like poison. We are glad to hear the little fellow is better at this writing.
Miss Daisy Pollock, of Eugene, is visiting her cousin, Miss Lulu Yates. Jesse Fountain has begun work in the office of the county clerk in Eugene, and will move his family to

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

Weak and unhealthy kidneys are responsible for much sickness and suffering, therefore, if kidney trouble is permitted to continue, serious results are most likely to follow. Your other organs may need attention, but your kidneys most, because they do most and should have attention first. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root. A trial will convince you of its great merit.

This mild and immediate effect of Swamp-Root, the great kidney and bladder remedy, is soon realized. It stands the highest because its remarkable health restoring properties have been proven in thousands of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—if you do you will be disappointed.

BLASTING NEW ROAD AROUND CAPE HORN

Special Correspondence.

Deadwood, July 20.—H. M. Price, our county road commissioner, is here getting everything ready to begin work blasting out a new road around Cape Horn, which will be a big improvement when done.

Every one in these parts is done haying, except grain hay, which seems to be lighter this year than usual.

Mr. Peck has his Indian Creek road open now so he can get in and out with his wagon.

The Corvallis creamery is yet taking out lots of cream from these parts.

The people in these parts are planting lots of kale and rutabagas and such things as that for cow feed. Several are complaining of bad colds and la grippe, which is going the rounds here.

C. Pope has moved to the upper lake ranch with his wife.

Cattle are looking fine now, especially range stock.

We have had more rain than usual this summer, making it hard to get hay cured without getting wet.

Woodburn has reason to rejoice, says the Independent. Crops are good, market prices are high, extensive street and water works improvements are promised, this will be a feeder for the Scotts Mills coal section, and an electric will be here before the close of the year.

We are selling out our stock of chewing and smoking tobacco at first cost. Now is the time, and this is the place to lay in a supply of good tobacco at first cost.

ROOTS, HERBS AND BARKS.

You can no doubt recall the collection of roots, herbs and barks your grandmother made every fall for the family medicine chest.

It is interesting to note that the most successful remedy for female ailments had its origin more than 30 years ago in one of these home medicine chests, and Lydia E. Pinkham's Vegetable Compound is made today in immense quantities from those same roots and herbs with extreme accuracy, care and cleanliness.

DON'T BE MISLED.

Many a life has been cut short by a cough that was not believed to be serious. Many a backache and sideache follows a coughing spell. Many a night is passed in restlessness caused by coughing. Many a cough "cure" that never cures is tried. Do not be misled. If you cough, take the old reliable Kemp's Balsam, the best cough cure. At druggists' and dealers' 25c.

For shampooing the hair, Ivory is the ideal soap.

A white soap, it yields a snow white lather, a lather that cleans the hair but does not change its color.

Containing no "free" alkali, it can be used without fear that it will make the hair brittle.
