COTTAGE GROVE'S RECORD

Has Been Beaten But Three Times This Season

Sid Smith's Colts will play Cottage Grove here Sunday. The "trailers" have arrived and Manager Smith expects to be able to handle the crowd without any difficulty. Cottage Grove has been defeated but three of thirteen games this season.

ANOTHER AGAINST HUSTON

New Englander to Run in the Hundred Yard Dash

Seattle, July 21.—Two more strong entries for the big national A. A. U. track and field championships which will be held at the stadium of the Alaska-Yukon-Pacific exposition August 13 and 14 have been received by the Director of Athletics here from the Boston Athletic Club.

These men are M. E. Nelson, who is considered the best sprinter in New England, and J. E. Ballard, one of the best-known milers in the East.

Nelson is a consistent ten-seconds man and has won firsts in many meets throughout New England. He is an old hand at the running game and it is expected that he will be one of the strongest contestants in the sprints. It will be a matter of interest to see how he compares with the Washington State College sprinter of the same name, who will run for the Seattle Athletic Club.

Ballard is known as an excellent mile runner and he has made good in many Eastern meets. He will meet a strong Western opponent in Clarence Cooil, the Washington State College boy, who is running the mile for Seattle in 4:30.

JUNCTION FARMERS TRY COMBINED HARVESTER

Junction City, Or., July 20.—The Holt-Holly side-hill combined harvester will be tried probably for the first time in the Willamette valley this season. J. S. Watkins, Newman Bros. and A. A. Meek have just purchased and taken home a new machine. The combine will cut a 14-foot swath and clean the grain, and instead of dropping bundles, as the binder does, will drop the grain in sacks on one side, and the straw in small cocks on the other, so that the farmer can either haul it to stock, scatter it over the ground or burn it. The price paid for the machine was $1800. The operation of it will be watched carefully, and if it proves satisfactory in the small fields of the valley many more will be purchased next season.

A HELPING HAND.

Is Gladly Extended by a Eugene Citizen.

There are many enthusiastic citizens in Eugene prepared to tell their experience for the public good. Testimony from such a source is the best of evidence, and will prove a "helping hand" to scores of readers. Read the following statement:

Mrs. W. D. Wood, formerly of 385 W. Eighth St., Eugene, Or., says: "I have used Doan's Kidney Pills with fine results and have also given them to different members of my family, troubled with weak kidneys. I suffered from a lame and aching back and a tired, listless feeling which made life a burden. Doan's Kidney Pills, procured at De Lano's drug store, soon relieved me of these annoyances and I do not hesitate to recommend this remedy to other persons similarly afflicted."

For sale by all dealers. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Don't forget the name—Doan's—and take no other.

Some Day You'll Be Old

Some Day that salary of yours will stop.
Some Day that business of yours will cease to pay.
Some Day that income will diminish or disappear.
Some Day you will not be able to work as well as now.
Some Day you will be old.
Some Day, yes, surely some day wouldn't it be nice to have a little five or ten-acre tract of land with a little cottage set in among the trees and surrounding all this, a pretty little garden and a fine orchard, the trees of which were heavy with luscious fruit
Some Day don't you want a home like this in a country where there are no extremes of heat or cold, nor destructive storms; where your neighbors are the good, honest, substantiol folk you and I like to have for friends, where within twelve miles is the state university in one of the finest cities in Oregon and your own land situated in or near the fine hustling little town of Creswell, where are good churches good schools, good business houses, good people and no saloons? Creswell, Lane conty, in the famous Willamette Valley of Oregon, is the place.
