ALLEY'S STALLION IS DEAD

Roseburg Horseman Suffers a Heavy Loss Frank E. Alley's fine registered stallion, "Diawood," died early this morning from "strangulation of the intestines." He had been under treatment by local veterinarians, but without permanent relief. Diawood was one of the finest blooded sires ever brought to this country, and had a race record of 2:11. He was a son of the great Diablo, and Abbie Woodnut, and a very valuable animal.—Roseburg Review.

The men are Herdsty, formerly of an Illinois league town, who will play third, and Earl Hill, who will be in the outfield and on first base.

August time tells on the nerves. But that spiritless, no ambition feeling can be quickly altered by taking what is known to druggists everywhere as Dr. Shoop's Restorative. Within 48 hours after beginning to use the restorative, improvement will be noticed. Of course, full health will not return immediately. The gain, however, will quickly follow. And best of all, you will realize and feel your strength and ambition as it is returning. Outside influence depresses first the "inside nerves"; then the stomach, heart and kidneys will usually fail. Strengthen these failing nerves with Dr. Shoop's Restorative and see how quickly health will be yours again. Sold by all dealers.

IF SICK--WHY PAY

Unless Health First Returns. Here is what should and can be done! Now you would not willingly pay for food that was worthless—would you? Then why pay for medicine until that medicine first proves to you its actual worth? Positively knowing what Dr. Shoop's Restorative does for the sick, I say, "do as I do, pay unless health first returns." And I back my Restorative with a signed and sealed 30 day "No help, no pay" contract.

positively proven to the sick everywhere that "Dr. Shoop's Restorative is absolutely free if it fails." Let others do the same—or else pass their prescriptions by.

If you need more strength, more vitality, more vigor or more vim, use my Restorative a few days and note the immediate improvement. When the stomach, heart, or kidneys go wrong, then let Dr. Shoop's Restorative. I do not dose the stomach nor stimulate the heart or kidneys, for that is wrong, I say, "do as I do, pay unless health first returns." The Restorative is precisely what you need. The books below will tell you how I am succeeding.

These books also tell of a tiny hidden "inside nerve," no larger than a silver thread. They tell how that nerve, until it fails, actually gives to the heart its power, its tone, its never-ending action of impulse.

These books will open up new and helpful ideas to those who are not well. They tell how the stomach, heart and kidneys each have their "inside nerve." They tell how the Restorative was especially made to reach and revitalize those weak or failing inside nerves. All of these facts will help you to see, "It's free if it fails!" This is why I say "do as I do, pay unless health first returns." I do not charge you a cent for a medicine whose maker dare not back it just as I do by this remarkable offer.

WHEN HER BACK ACHES.

A Woman Finds All Her Energy and Ambition Slipping Away.

Eugene women know how the aches and pains that come when the kidneys fail make life a burden. Backache, hip pains, headache, dizzy spells, distressing urinary troubles, all tell of sick kidneys and warn you of the steadily approaching of diabetes, dropsy and Bright's disease. Doan's Kidney Pills permanently cure all these disorders. Here's proof of it in a Eugene woman's words:

Mrs. L. F. Abbott, 484 Pearl street, Eugene, Or., says: "Last winter I was taken down with a bad spell of kidney complaint and my back became so weak and lame that I could hardly move. I took various remedies but did not derive any benefit. Finally Doan's Kidney Pills were recommended to me by a friend and my husband procured a box at De Lano's drug store. They proved to be all and more than I claimed for them. As I used them the pains and weakness left me and my kidneys were strengthened. I consider Doan's Kidney Pills the best remedy of its kind on the market." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

When the stomach, heart or kidney nerves get weak, then these organs always fail. Don't drug the stomach—nor stimulate the heart or kidneys. That is simply a makeshift. Get a prescription known to druggists everywhere as Dr. Shoop's Restorative. The restorative is prepared especially for those weak inside nerves. Strengthen these nerves, build them up with Dr. Shoop's Restorative—tablets or liquid—and see how quickly help will come. Sold by all dealers.
