KASPARILLA

This sterling household remedy is most
successfully prescribed for a "world of
troubles." For derangements of the di-
gestive organs it is a natural corrective,
operating directly upon the liver and al-
imentary canal, gently but persistently
stimulating a healthful activity. Its
beneficial influence extends, however, to
every portion of the system, aiding in the
processes of digestion and assimilation of
food, promoting a wholesome, natural
appetite, correcting sour stomach, bad
breath, irregularities of the bowels, con-
stipation and the long list of troubles
directly traceable to those unwholesome
conditions. Kasparilla dispels drowsi-
ness, headache, backache and despon-
dency due to inactivity of the liver,
kidneys and digestive tract. It is a
strengthening tonic of the highest value.
If it fails to satisfy we authorize all
dealers to refund the purchase price. G.
