BAD FIRE IN SEISER'S STORE THIS MORNING

Sixteen Thousand Dollar Stock
Badly Damaged—Blaze
Started in Basement

Fire causing several thousand dollars' loss to goods and \$500 or \$600 damage to the building, broke out in Mrs. Eleanor S. Seiser's women's furnishing goods store in the Cherry block at Sixth and Willamette streets this morning at 4 o'clock.

Smoke was first seen issuing from the rear part of the store and an alarm was turned in. By the time the department arrived on the scene the entire interior of the building was a mass of black smoke which rolled out through apertures in the building in big clouds. The department soon had the blaze under control, but not before great damage was done.

The fire, as near as can be ascertained, started in the basement beneath the stage of the Bell theatre, next door. Some are of the opinion that it started from defective wiring. This is a plausible theory, as there is a great deal of wiring under the stage of the theatre.

The stock of goods, according to a statement made by Mrs. Seiser this morning, was valued at \$16,000, and the insurance held by her amounted to \$12,000, in the following companies: The Springfield, the Fire Association of Philadelphia, the Phoenix, of London, the German-American and the Niagara.

Robert Cherry, of Cherry Bros., says the loss to the building was \$500 or \$600, mostly in cracked plate glass windows. The Bell theatre's loss was nominal. Manager Swinney was fully insured. The theatre could run tonight, Mr. Swinney says, but he will keep closed until the insurance adjuster arrives up from Portland.

A quantity of merchandise in the rear part of Mrs. Seiser's store was consumed by the flames, and nearly the entire stock in the salesroom seems to be ruined or badly damaged by the smoke and water.

Mrs. Seiser says she will open for business again just as soon as the insurance men adjust the loss and the building can be repaired.

MCDONNELL GOES OUT UNDER A CLOUD Colonel of Third Regiment Is Now Under Investi- gation

Charles E. McDonnell, Colonel of the Third Regiment, Oregon National Guard has rendered a verbal resignation of his office surrounded by conditions which assure its acceptance, says Sunday's Oregonian.

Taps was sounded over his career as third ranking officer in the state militia yesterday afternoon when an order issued by Brigadier-General Finzer directed an investigation of his accounts, this dictum following closely the announcement made by Colonel McDonnell that he had decided to resign from the service. Last night Colonel McDonnell submitted to General Finzer a report of his military finances which the militia head declared to be highly satisfactory. The balance of government funds held by Colonel McDonnell amounted to less than \$300 for which he accounted for to his chief.

"Protective" Meeting Held. But another fund the extent of which is unknown has to be accounted for by Col. McDonnell. Assembled yesterday in a meeting termed "protective" by General Finzer, the captains of the Third Regiment discussed this fund with Colonel McDonnell and at the close he promised to give a satisfactory account of the trust to them tonight.

"My order for an investigation still stands," said General Finzer last night, after these phases surrounding Colonel McDonnell's exit from military life had transpired.

"There is no shortage in my account current," said Colonel McDonnell, "but I admit I was slow with my reports. The regimental funds do not amount to more than \$1500 or \$1600 and I can straighten them out in a day's work on the reports which are the hardest part of a colonel's position."

DENTON FLEES; HIS NEPHEW UNDER ARREST

Man Who Tried to Bribe Police
Chief Leaves City—Charged
With Selling Liquor

Robert Denton, the old man who owns the cigar store in the Frazer Building at Sixth and Willamette streets, and who is under bonds to appear for trial on the charge of bribery, having given Chief of Police Farrington money at two different times to protect him from police raids, has left the city, having evidently heard that a warrant was out for his arrest on the charge of selling liquor. His nephew, James H. Neelon, who works at the store, however, is under arrest on that charge, having been arrested this morning by Chief of Police Farrington on a warrant issued out of the justice court charging him with selling a pint of whiskey on August 9 to James Chamberlain, the young livery driver who, it is said, was in an intoxicated condition while driving the Plank party to the mountains, and when the wagon fell over a grade, resulting in injuries to several members of the party.

Neelon was arraigned before Judge Bryson this morning and entered a plea of not guilty. He was placed under \$500 bonds, and his trial was set for tomorrow morning at 9:30 o'clock.

A warrant was sworn out at the same time for Denton's arrest, but doubtless he heard of it and left the city, as he cannot be found by the officers.

swimmer, and it took most of their strength to reach the shore.

Miss Ireland's body was recovered about 3:30 o'clock in the afternoon three miles down stream from where the accident occurred. She was a popular young lady, and her untimely end has cast a gloom over the neighborhood in which she resided.

The party lost most of their extra clothing, bedding and provisions which they intended to use on their way to Seattle. Finn also lost \$150 in cash which Mrs. Ward carried in a purse, but which sank to the bottom of the river.

The McKenzie has always been known as a treacherous stream for boating, and had the party successfully passed the riffles where the acci-

Thousands Have Kidney Trouble and Never Suspect It.

How To Find Out. Fill a bottle or common glass with your water and let it stand twenty-four hours; a brick dust sediment, or settling, stringy or milky appearance often indicates an unhealthy condition of the kidneys; too frequent desire to pass it or pain in the back are also symptoms that tell you the kidneys and bladder are out of order and need attention.

What To Do. There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills almost every wish in correcting rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. Corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of Swamp-Root is soon realized. It stands the highest because of its remarkable health restoring properties. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.
