## HILL'S AGENT SAID TO BE UP THE MCKENZIE

Guard's Exclusive Report That  
Porter Bros. May Build Down  
the McKenzie Given Color

The Guard was the first paper to announce the report that Porter Bros., who are building the Oregon Trunk railroad up the Deschutes canyon and who are backed by J. J. Hill, are probably contemplating building a line across the mountains, down the McKenzie valley and through Eugene on to Coos Bay. The report that John F. Stevens, Hill's confidential agent, is now in the McKenzie valley, gives color to The Guard's story.

It is reported that Stevens and a party of associates arrived in Eugene from Portland in an automobile some time during the first of the week, and went on up the McKenzie without stopping. It is thought the purpose of this trip by the Hill agent is to inspect the many water power sites along the river, also to view out the route of the road across the mountains, if it is the intention of the Hill interests to build this way.

It is also rumored that Stevens or some one closely connected with him has offered to buy the Welch interests in this vicinity. The Portland, Eugene & Eastern Railway Company, of which Al Welch is vice-president and general manager, owns one of the best waterpower sites in the West at Martin's rapids, and has secured right-of-way for an electric line from Eugene to the upper McKenzie valley. If this company sells out to the Hill interests the latter will have acquired property that will go a long way toward the consummation of their supposed plans to build through Eugene and on to Coos Bay.

## FARM EXPERTS DISCUSS

### PLANS AT PORTLAND

(Continued from page one)

greatest natural resource, the maintenance of which is absolutely essential to our nation's prosperity and life; that the whole history of American agriculture is a story of ruthless spoliation of this inheritance; and that the time has come to institute a more thorough campaign for better farming.

"It cannot be expected however, that better methods will prevail until it can be shown that they are profitable. The farmer can scarcely afford to be a philanthropist. Therefore, any reasonable expenditure of the state or national governments, which will tend to hasten the adoption of such methods, should be considered as wise, even a necessary investment. What is further needed is some method of bringing together the facts of agricultural science, welding them together in a rational system, or systems of farm practice, and actually demonstrating their adaptability and practicability to local conditions. All of this can be done by a system of well conducted demonstration farms.

"To fulfill their missions, such farms must be more than self-supporting. They must be more profitable than the farms in their respective localities. If the system adopted for any such farm is not profitable the demonstration is valueless to the farmer.

## SPECIAL PULLMAN ACCOMMODATIONS ON NO'S. 18 AND 19.

Now if the time of your life at Green's.

## ORNAMENTAL STREET LIGHTS TO BE PUT IN

Manager John H. Hartog, of the Commercial Club, and F. E. Harris, one of the proprietors of the Aloha theatre, this forenoon measured the sidewalks along the blocks between Seventh and Ninth streets, to ascertain the number of lamps to be used when the proposed new system of street lighting is put in. The lamp posts will be eighty feet apart on each side of the street and will contain clusters of lights, the same as those being put in at Roseburg. A good many of the business men along these blocks have signed up for the lights, and it is hoped to secure favorable action of the city council on the matter in a very short time. The three are lights, one at Ninth and Willamette, one at Eighth and Willamette and the other at Seventh and Willamette, will be taken out when these new lights are put in.

## OVERTAXED

Hundreds of Eugene Readers Know What It Means.

The kidneys are overtaxed; Have too much to do. They tell about it in many aches and pains—Backache, sideache, headache, Early symptoms of kidney ills. Urinary troubles, diabetes, Bright's disease follow.

A Eugene citizen tells here a certain cure. W. W. Gossett, retired, formerly of 558 Madison St., Eugene, Ore., says: "Although I have had no occasion to use Doan's Kidney Pills for three years now just as enthusiastically recommend them as ever. Acute pains in the region of my kidneys attended with a dull steady aching through my loins kept me in misery for about four months. One day while working a sharp pain caught me in my back and I could not move for some moments. When laid up I started taking Doan's Kidney Pills on the recommendation of a friend. I found relief from the first, and soon was completely cured. There has been no symptoms of a return of the trouble since, proving Doan's Kidney Pills to be a remedy of great merit."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
