"THE EUGENE WAY"

Is the proper way to do things—tell the truth and give all a square deal—that's the way the big bargain sale at the Dodge Department store is run—the Eugene way—perhaps that is the reason the people say "this is the best sale in town"—We aim to make it such—Tomorrow will be the day for extra special cut prices all along the line—The Shoe Department will offer three extra special bargains in high-grade footwear—one each for Men—Women—and Boys' and Girl's Shoes—from 75c to \$1.50 to be saved on each shoe bargain—The Dry Goods department will offer six special numbers—Silks—Linen—Fall Woolen Suitings—Ready-to-wear Skirts and Suits—Silk and Net Waists—and Men's Underwear and Work Clothes—All the above will be extra special bargains for tomorrow (Saturday)—in the Grocery Department you will find a money-saving price on almost every item—Do you need an alarm clock? Here is your chance—tomorrow we will sell 100 Copper-trimmed Double Alarm Clocks, best brands, regular \$1.50 at clock stores, will go here tomorrow at 95c—Also 150 dozen extra fine thin Dinner Glasses at the low price of 40 cents per set—sold at bargain counters at 10 cents each—and thousands of other just as good bargains in all lines of pure food products—It is needless to go further into details—You must come and see for yourself—like hundreds are doing daily—There is but one real money-saving sale in Eugene this week and that is at the Dodge Department Store, 8th and Olive—Come and profit.

WORK STARTS
ON BIG TUNNEL
AT NORTH FORK

Sub-Contractor McCabe Has 60
Men At Work on Big Bore
Through the Mountain

LeRoy Kerns, one of the forest rangers under Supervisor C. R. Seitz, of this city returned last night from a trip east of the summit of the Cascade mountains, returning by the way of the Willamette route. He told a Guard reporter today that there is great activity at the site of the half-mile tunnel near Hazel Dell on the line of the Natron extension. Sub-Contractor McCabe has about 60 men at work there on the big hole to be bored through the mountain. Rock work has already begun and in a very few days there will be a big depression in the side of the mountain. This tunnel is a half a mile above the North Fork bridge.

Contractor Watts, of the Utah Construction Co., will put on a large force of men at Lookout Point, five miles this side of North Fork, within a week. At this point there will be another tunnel, but not nearly as long as the one McCabe is working on.

There are twelve freight teams kept busy all the time transporting materials and supplies up the river for the construction crews.

VALLEY PEOPLE PLEASED
WITH TRAIN SERVICE

Salem Journal Commends Railroad for Putting Observation Car on Local

The Salem Journal, speaking of the observation car which the Eugene Commercial Club got the Southern Pacific Company to put on two of its local trains, says:

"The observation and parlor car accommodation on trains 18 and 19, the Cottage Grove local, is a decided step in advance in railroad management, for it is seldom so good and complete a service is given anywhere on a purely local train. The service is complete in every detail, equaling that on the best equipped trains, and the management deserves and is getting the thanks of the traveling public for the convenience and comfort afforded. The service is in the nature of an experiment, the feeling of the public pulse, as it were, to see

if it was ready for so up-to-date a service. This is for the public to say, and the only way in which that opinion can be expressed is by the patronizing of these cars. It is to be hoped that the people along the line will show their appreciation of the service by meeting the management's efforts at least half way and proving no mistake is ever made in giving Willamette Valley people the very best there is."

Disagreeable at Home.

Lots of men and women who are agreeable with others, get "cranky" at home. Its not disposition, its the liver. If you find in yourself that you feel cross around the house, little things worry you, just buy a bottle of Ballard's Herbine and put your liver in shape. You and everybody around you will feel better for it. Price 50 cents per bottle. Dillon Drug Co.

MARRIED

TO THE PEOPLE OF THE
WILLAMETTE VALLEY

Recently the Commercial Club asked the S. P. Co. for several improvements in its passenger service, and the company promptly did as requested. Among these improvements is the observation car (in the rear half of which smoking is allowed). This car is attached to the 5:35 evening local going to Portland, and returns from Portland on the 8:15 a. m.

Many people do not seem to know about this car being out, and unless it is better patronized the company cannot afford to keep it on. The extra cost for riding in this car is only 50 cents between Eugene and Portland; 25 cents between Eugene and Albany.

It lies with the public whether this added comfort and luxury in travelling between here and Portland will be maintained for them or not.

L. L. WHITSON, President.

Pinkham's Vegetable Compound restored my health and strength, and proved worth mountains of gold to me. For the sake of other suffering women I am willing you should publish my letter."—Mrs. CHARLES BARCLAY, R.F.D., Granville, Vt.
