

WELCOME WORDS TO WOMEN

Women who suffer with disorders peculiar to their sex should write to Dr. Pierce and receive free the advice of a physician of over 40 years' experience—a skilled and successful specialist in the diseases of women. Every letter of this sort has the most careful consideration and is regarded as sacredly confidential. Many sensitively modest women write fully to Dr. Pierce what they would shrink from telling to their local physician. The local physician is pretty sure to say that he cannot do anything without "an examination." Dr. Pierce holds that these distasteful examinations are generally needless, and that no woman, except in rare cases, should submit to them.

Dr. Pierce's treatment will cure you right in the privacy of your own home. His "Favorite Prescription" has cured hundreds of thousands, some of them the worst of cases. It is the only medicine of its kind that is the product of a regularly graduated physician. The only one good enough that its makers dare to print its every ingredient on its outside wrapper. There's no secrecy. It will bear examination. No alcohol and no habit-forming drugs are found in it. Some unscrupulous medicine dealers may offer you a substitute. Don't take it. Don't trifle with your health. Write to World's Dispensary Medical Association, Dr. R. V. Pierce, President, Buffalo, N. Y.—take the advice received and be well.

CHURCH LEAGUE ORGANIZED

Presbyterians, Methodists, Baptists and Christians Will Have Teams

As announced in last evening's *Guard*, a meeting was held at the Red Cross Drug Store last night and an inter-church baseball league formed with the following members: Presbyterian, Christian, Methodist and Baptist. The following officers were elected: President, J. M. Lamb; secretary-treasurer, G. E. Curtis; advertising manager, H. A. Soultis; assistant advertising manager, I. L. Ragsdale. All questions of dispute will be referred to a governing board consisting of the president and secretary. A schedule has not been formulated because the Methodists have not yet organized their team. On Friday evening of this week the Baptist and Christian teams will play, the game beginning at 4:30 o'clock. An admission of ten cents will be charged for men and ladies will be admitted free.

Tonight a preliminary game will be played between the Christians and Presbyterians at 6 p. m. Monday—Christians vs. Presbyterians. Wednesday—Baptists vs. Presbyterians.

The following are the captains of the teams already organized: Presbyterians, H. A. Soultis; Baptists, C. W. Converse; Christians, Victor Hovis.

Nines representing the Methodists and Congregationalists are in process of formation, and the prospects seem very good for a five-team league.

Honey Didn't Kill Anything. Albany, Or., Aug. 24.—Rugged and bronzed by a two weeks' hunting trip in the Coast Range, Francis J. Heney reached Albany this evening over the Corvallis & Eastern railway from Newport, and left on the 7:20 train for Portland.

He has been in the mountains along the coast south of Newport for two weeks, and had a splendid time. He had had luck hunting, though so far no one in the entire party has killed a deer. Heney didn't even see one. They all caught lots of fish, however.

Bryant DeBar, son of Dr. Geo. O'B. DeBar, killed a big bear and a fine deer on a recent hunting trip to the mountains. The boy is very proud of his feat.

Elbridge Wheeler, the 12-year-old son of O. D. Wheeler, who lives on Indian creek, a few days ago killed a huge bear with a shotgun, using buckshot. He was with a party hunting pigeons. He was off quite a distance from the others when he saw the bear on a log. He quickly substituted the bird shot in the gun for buckshot and brought Mr. Bruin down with a couple of well-directed shots.

ALL-STARS WANT REVENGE

For Defeat Administered to Them Here by the Colts

Manager Fisher, of the Portland All-Stars, writes that his team is coming to Eugene next Sunday to take sweet revenge on the Colts for defeating them two weeks ago. Fred DeNeffe will again be in the pitcher's box, while Stott will do the catching. Joe Campbell will play first, Cass Campbell second, Dick Hathaway third and "Dolly" Gray short.

NOTES OF INTEREST

Heney Was At Ten-Mile Creek
—Rose Hill Cannery Soon Starts

J. J. Rude and family, of Eugene, arrived here a few days ago for a three-weeks' outing. Mr. and Mrs. Frank Hanson departed Monday morning for their home in Eugene, after spending a few days with Mrs. Hanson's parents B. B. Jeans and wife, of Indian Creek. The schooner Coquille arrived yesterday from San Francisco after lumber from the Acme mill. The vessel crossed the bar and came up to Florence without the aid of a tug.

Among the improvements now under way in Glendon is a large addition to the residence of Frank Cox, Geo. H. Colter being the master carpenter on the job.

The schooner Oakland arrived on Tuesday from San Francisco with supplies for the Hurd cannery. After discharging her cargo the vessel began loading with lumber at the mill.

Rev. W. B. Pinkerton, pastor of the Congregational church in Eugene, and Dr. F. W. Cummings, of Derby, Vermont, were in town Wednesday for a few hours, departing homeward the same day. They came nearly all the way from Eugene to Mapleton on foot.

We are informed that it is the intention to start the Rose Hill cannery soon after September 1. The crew of Chinese will be here about that time and work will commence at once. J. L. Sanborn will be the superintendent this year.

Last Friday Alice McKinlay, of Portland, daughter of Rev. Geo. A. McKinlay, at one time pastor of the Presbyterian church in Florence, was united in marriage to William Miller, of LaGrande, Or. They will reside at LaGrande.

Glenharbor Item: The two Messrs. Wilcutt and Fred Peplot went out on Thursday morning with Ozro Wilcutt's team, transacting business in Eugene, and passed here on their way home in 24 hours. Verily we are advancing in civilization roadwise. Their horses did some circus acting when they met George Miller and the automobile, but I did not learn whether it was Miller or the machine that inspired them.

A letter from Ten-Mile Creek states that Francis J. Heney, the noted prospector, L. H. McMahan, a Salem attorney, Professor E. R. Lake, of the Oregon Agricultural College at Corvallis, accompanied by Mr. McMahan's son and a colored cook, arrived at Ten Mile last Saturday on their way to Fatview mountain to hunt deer and bear. J. T. Bray went with game.—Florence West.

The Mission

Of those corpuscles in your blood that have been called "Little Soldiers," is to fight for you against the disease germs that constantly endanger your health. These corpuscles are made healthy and strong by the use of Hood's Sarsaparilla. This medicine is a combination of more than 20 different remedial agents in proportions and by a process known only to ourselves and it has for thirty years been constantly proving its worth. No substitute, none "just-as-good."
