

It is hot; and "all the boys" are going swimming.

Let your boys go, too.

Give them a couple of towels and a cake of Ivory Soap and let them go.

Thus will you achieve a double purpose—the boys will have a swim, which is good; and a bath, which is better.

CROPS IN LORANE VALLEY ARE BIG

Farmers in the Lorane valley are threshing, and in speaking to a farmer from that vicinity we were given to understand that the crops there are of the bumper variety, and that their granaries will be overflowing this fall. There is but one threshing rig in the valley, and it is busy from morning until night. A good crop of prunes is anticipated, although the apple crop is smaller than that of several years back. There are many trees that have few or no apples on. The late frosts are to blame for the shortage, and judging from the outlook "apples will be apples" this fall.

NOTES OF COTTAGE GROVE AND NEIGHBORHOOD

Miss Abigail Johnson has returned from her Seattle trip and arrived in this city last Saturday for a short visit with her parents over Sunday. She is at present visiting her sister in Eugene.

Councilmen Bert Lawson and John Bartels left early this morning for Laying creek, where they will look into the proposition of piping water into this city for a distance of 25 miles. It is highly probable that the council will take action on the matter at a meeting to be held in the near future.

On Monday Mrs. Adeline Mounts sold her well-improved eight-acre farm three miles south of this city to L. J. Green, a friend of Mr. Lathrop, who recently purchased the Spray farm. The consideration was \$2500. Mr. Green also bought Mrs. Mounts' household goods, cow and other personal property about the place.—Western Oregon and Leader.
