Strong Healthy Women

If a woman is strong and healthy in a womanly way, motherhood means to her but little suffering. The trouble lies in the fact that the many women suffer from weakness and disease of the distinctly feminine organism and are unfitted for motherhood. This can be remedied.

Dr. Pierce's Favorite Prescription

Cures the weaknesses and disorders of women. It acts directly on the delicate and important organs concerned in motherhood, making them healthy, strong, vigorous, virile and elastic.

"Favorite Prescription" banishes the indispositions of the period of expectancy and makes baby's advent easy and almost painless. It quickens and vitalizes the feminine organs, and insures a healthy and robust baby. Thousands of women have testified to its marvelous merits.

It Makes Weak Women Strong. It Makes Sick Women Well.

COLTS HAD HARD WORKOUT LAST NIGHT

The Colts had another hard workout last night in preparation for their hard game with the Portland All-Stars Sunday. DeNeffe will surely have to be in his best form to defeat the prancing Colts, as they are practicing hard and faithfully this week.

The fans all remember that memorable game of two weeks ago, when the Colts defeated the All-Stars by a score of 4 to 1, Baker outpitching DeNeffe. This week even a larger crowd is expected to attend the game, as Baker and DeNeffe will again be the opposing pitchers and both teams will present their strongest line-ups. The game will be called at 2:30, with Umpire Tice as the centre of attraction.

TILLAMOOK BAY PROJECT DOOMED

Engineer Reports Adversely, Saying Expenditure Is Unwarranted

Washington, Aug. 26.—District Engineer McIndoe has reported adversely on the proposed channel improvements across the bar in Tillamook Bay. Senator Bourne has appealed from the engineer's findings. There is no prospect of a government appropriation to carry on the work unless the project first receives the O. K. of the war department. McIndoe says that the commerce in the bay does not warrant the expenditure of $2,000,000, which would be necessary for the work.

PORTLAND LEADING IN TOURIST TRAVEL

31,000 Easterners Purchased Tickets to Rose City Since May 15

Portland has taken the lead over both Seattle and Los Angeles as the point of destination of through tourist business from the East this season, and has been a close second to San Francisco. In other words, in spite of Seattle's exposition and widely heralded beaches and summer resorts of the Southern California metropolis, Portland has been the point for which the largest number of pleasure-seekers from the East have purchased their tourist tickets since May 15.

This statement was made by the ticket validating clerks at the Union depot this morning, after they had checked up the business from May 15 to 10 o'clock this morning. In that period 30,842 Eastern tourists, have arrived in Portland as their Pacific coast destination, and have made their side trips, or started on the homeward journey from this city.

The announcement was made that San Francisco led Portland by a small percentage, with Seattle a close third, while Los Angeles for the first time in history occupied fourth and last place.

The local Union Depot officials expect to have detailed and complete figures for the period up to August 31 prepared within a day or two after that time. It is anticipated that Portland will maintain her position as the second tourists' Mecca of the Coast by a comfortable margin.—Telegram.

Why Ivory Soap, or any other, should be a valuable insecticide is hard to explain, but it is a fact. It has the advantage of not making the bushes unsightly as Bordeaux mixture does. A prominent nurseryman and florist writes that he had used it for years for an astonishing variety of insect pests.—*Garden Magazine* for June '07.
