Stomach troubles would more quickly disappear if the idea of treating the cause, rather than the effect, would come into practice. A tiny, inside, hidden nerve, says Dr. Shoop, governs and gives strength to the stomach. A branch also goes to the heart, and one to the kidneys. When these "inside nerves" fall then the organs must falter. Dr. Shoop's Restorative is directed specifically to these failing nerves. Within 48 hours after starting the Restorative treatment patients say they realize a gain. Sold by all dealers. John N. Dixon, All wood sawed to gauge. For prompt service phone Black 3312. ENDS STOMACH DISTRESS AND INDIGESTION

No Gas, Heartburn Headache or Dyspepsia Five Minutes Later

Why not get some now—this moment, and forever rid yourself of stomach trouble and indigestion. A dieted stomach gets the blues and grumbles. Give it a good eat, then take Pape's Diapiesin to start the digestive juices working. There will be no dyspepsia or belching of gas or eructation of undigested food, no feeling like a lump of lead in the stomach or heartburn, sick, lead-ache and dizziness, and sour food will not ferment and poison your breath with offensive odors. Pape's Diapiesin costs only 50 cents for a large case at any drug store. It is the most obstinate case of indigestion and upset stomach in five minutes. There is nothing else better to take. Get from St. Louis, Mo., the stomach and intestines, and besides, one single dose will digest and prepare for assimilation into the blood all your food the same as a sound, healthy stomach could do it. When Diapiesin works, our stomach rests—gets itself in order, cleans up—and then you feel like eating when you come to the table and what you eat will do you good. Absolute relief from all stomach misery is waiting for you as soon as you decide to take a little Diapiesin. Tell your druggist that you want Pape's Diapiesin, because you want to become thoroughly cured this time.

Remember, if your stomach feels out-of-order and uncomfortable now you can get relief in five minutes. When Your Joints Are Stiff and your muscles are sore from cold or rheumatism, when you slip or sprain a joint, strain your side or bruise yourself, Pape's Diapiesin will take out the soreness and fix you right in a jiffy. Always have it with you, and use it freely. The oldest, the cheapest and the best medicine for internal and external aches and pains in man is Perry Davis Painkiller, and for over 70 years it has been the great standby for emergencies in thousands of families all over the world. Don't go home without a box, or one of the new size bottles.
