passes, on side kicks, fake plays, long end runs and punts. The old-time style of playing was hardly resorted to at all.

The visitors were heavier in weight, but were too slow in pulling off their plays. The locals had the better of the game at all times and were in scoring distance on several occasions. Score: Pendleton, 6; Walla Walla 0.

HUGHEY JENNINGS, LEADER OF THE THREE TIME CHAMPION DETROITS.

All fandom and everybody connected with baseball admire Hughey Jennings, who has piloted the Detroit Tigers to their third successive pennant. Aside from his keen insight to every phase of the game itself Jennings' managerial ability is demonstrated year in and year out by his thorough judgment of players. Many a good ball team has been allowed to decline for lack of pruning—that is, getting rid of such players as have agreed out their usefulness. Jennings not only is able to see the merits of a coming player, but is quick to discern signs of deterioration in the work of veterans.

Every property owner, business or professional man is vitally interested and should ATTEND. The ladies are invited, and all new-comers especially are urged to attend

Stocking Satisfaction

always means stocking economy. Stockings that look well, feel well, and wear well, must be made well. There is no secret about the making of stockings that will last. There is no special process. It is the quality of the yarn that goes into the stockings and the careful expert workmanship that gives satisfaction. It is all a question of quality, not patents.

Black Cat Hosiery

looks better, wears better, and lasts longer than other stockings, simply because they are made better. The cost of making is higher, but the price to you is the same as inferior goods.

That's because the policy of the manufacturer is to give as much, not as little, as he can for the customers' money. This is a wise policy. It means pleased customers and pleased customers mean more sales. The result is that more Black Cat Stockings are sold than any other make.

Our best recommendation of the appearance and wearing ability of Black Cat Hosiery is our assurance that you will receive absolute satisfaction or we will return your money.
