

WELCOME WORDS TO WOMEN

Women who suffer with disorders peculiar to their sex should write to Dr. Pierce and receive free the advice of a physician of over 40 years' experience...

Dr. Pierce's treatment will cure you right in the privacy of your own home. His "Favorite Prescription" has cured hundreds of thousands, some of them the worst of cases.

It is the only medicine of its kind that is the product of a regularly graduated physician. The only one good enough that its makers dare to print its every ingredient on its outside wrapper.

GIRLS GET ADVICE ON SAFE MATRIMONY

Cost of Living After Marriage Greater Than Before for Respectable Man

Chicago, Oct. 20.—Matrimonial mishaps and how to avoid them was the text of an address delivered before the Kilo Association, a woman's club, by Rev. D. D. Vaughn, last night. About 200 young women listened to the discourse and went to their homes with some of the following epigrams to ponder over: Marriage is the normal state, but it is no longer a necessary state.

"The idea that a man can live cheaper after he is married than he did before is fallacious and misleading," said Mr. Vaughn. "That is possible only when the candidate for matrimonial honors has spent his income in riotous living. The single man who has been thriving will find that when he gets married he will be called upon to spend three times as much for living expenses as he did before."
