YOU CAN BE A MORE POPULAR AUTHOR, FOR ONE DAY, IN THIS CITY, THAN DICKENS

On the day that you publish in this newspaper a "help-wanted" ad, you will be more widely read, in this city, than Dickens, or any other author. For your theme will touch human interests more intimately, more immediately, than any fiction can do. You will appeal to human emotions at close range. And incidentally you will deserve to be, for that one day, a "popular author."

I have the view of selling, which I will show anyone interested, who I am getting for the use of my money by the use of a large list of farms and city property for sale at all times. LITTLE FARMS WANTED

Recently placed in the leading eastern papers the following advertisement:

JUST FUN to run a little farm in Oregon; good markets; best society; no low class foreigners; good hunting or trout fishing all the year; 20 minutes from churches, schools, theatre, business; no irrigation needed here; price list sent on request. Geo. Melvin Miller, Eugene, Ore.

In answer to this I received over six hundred enquiries for small farms. I have sold all the improved farms I had listed and now want more to supply these customers. I want small, improved tracts, from one acre up, and large tracts suitable for subdivision. I have recently employed A. P. Trawick as salesman and solicitor and Charles M. Emery stenographer and office man, and will make a specialty of handling small improved farms and subdividing the large ones.

GEO. MELVIN MILLER, Room 20, McClung Block, Eugene, Ore.

THE TIME? THE PLACE?

This is the question with 90 per cent of the investors today. They want to buy for \$1.00 something that is worth \$1.25 tomorrow. The time to buy is now. Today. Good real estate will always make you money. The place? Everybody's Realty Co. Why? Because they are "bargain hunters" and have "fine goods" to suit you. Would you invest \$500 or \$600 in a gift-edged fruit farm near the city, with street car facilities to market your next year's crop? Come and buy one of these farms today, and tomorrow never comes.

EUGENE

Will be the largest city in the state of Oregon in a few years.

Now is the time to buy property on easy terms. Look at the acre tracts in McClaren's plat and lots in the Sladden Addition.

The electric railroad will have to come into the city through both of the above tracts. And, too, the northwest part of Eugene will have the best of all other parts, viz.: good water, good sewer drainage, good soil.

There never has been any sickness in that part of the city. We have residences and acreage in all parts of Eugene and farms all over the county. Come in and talk the matter over with us.

MARK FLEMING, 412 Willamette St. Eugene, Oregon.
