

### Afraid of Ghosts

Many people are afraid of ghosts. Few people are afraid of germs. Yet the ghost is a fancy and the germ is a fact. If the germ could be magnified to a size equal to its terrors it would appear more terrible than any fire-breathing dragon. Germs can't be avoided. They are in the air we breathe, the water we drink.

The germ can only prosper when the condition of the system gives it free scope to establish itself and develop. When there is a deficiency of vital force, languor, restlessness, a sallow cheek, a hollow eye, when the appetite is poor and the sleep is broken, it is time to guard against the germ. You can fortify the body against all germs by the use of Dr. Pierce's Golden Medical Discovery. It increases the vital power, cleanses the system of clogging impurities, enriches the blood, puts the stomach and organs of digestion and nutrition in working condition, so that the germ finds no weak or tainted spot in which to breed. "Golden Medical Discovery" contains no alcohol, whisky or habit-forming drugs. All its ingredients printed on its outside wrapper. It is not a secret nostrum but a medicine of known composition and with a record of 40 years of cures. Accept no substitute—there is nothing "just as good." Ask your neighbors.

unmindful of dampness, drafts, storms or cold, W. J. Atkins worked as Night Watchman at Banner Springs, Ten. Such exposure gave him a severe cold that settled on his lungs. At last he had to give up work. He tried many remedies but all failed till he used Dr. King's New Discovery. "After using one bottle" he writes, "I went back to work as well as ever." Severe Colds, stubborn Coughs, inflamed throats and sore lungs, Hemorrhages, Croup and Whooping Cough get quick relief and prompt cure from this glorious medicine. 50c and \$1.00. ### LITTLE BABY HORRIBLY BURNED

By Boiling Grease—Skin All Came off One Side of Face and Head—Tried an Ointment which Made It All Fester—Wee Sufferer Seemed Disfigured for Life.

### CURED WITHOUT A MARK BY CUTICURA

"About a year and eight months ago my baby, aged ten months, was sitting on the mat beside the fender and was preparing the breakfast when the frying-pan full of boiling grease was upset and went all over one side of the baby's face and head. One of the family ran and wiped the scald with a towel and you may think what a mess she made, pulling the entire skin off. We took her to a chemist who told us to get a doctor, which we did. He tended her a week and gave me some stuff like lard to put on. But it all festered and I thought the baby was disfigured for life. A woman close beside me told me to try Cuticura Ointment. I used about three boxes and it was wonderful how it healed. In about five weeks it was better and there wasn't a mark to tell where the scald had been. People used to ask me if that was the baby that was scalded and they would hardly believe me when I told them she was and what cured her face. Her skin is just like velvet and I have never been without Cuticura since. Cuticura cured three other children of ringworm besides, so I have good cause to thank it for what it has done. Mrs. Hare, 1, Henry St., South Shields, Durham, England, March 22, 1908."

### CUTICURA

World's Favourite Emollient.

A single anointing with Cuticura Ointment, preceded by a hot bath with Cuticura Soap and followed in the severer cases by a dose of Cuticura Pills, is often sufficient to afford immediate relief in the most distressing forms of torturing, disfiguring, itching, burning and scaly humours, eczemas, rashes and irritations, permit rest and sleep and point to a speedy cure in the majority of cases, when all else fails.
