SPORTING NEWS

LYNN HUNTERS WILL KILL BIRDS FOR POINTS

The Ash Swale Hunt Club, a flourishing organization in the Crawfordville vicinity in Linn county, elected officers at its last meeting. It boasts of 49 members, divided into two companies, the side making the most points during the year getting an oyster supper. Some rules have been changed, so that hereafter pests, such as rats, diggers, moles and gophers will score more points than game birds.

The side commanded by Captain Poland came out victorious in the last hunt by about 1200 points, and Captain Carlson gave the supper. The new officers are: President, Charles Carlson; vice president, Fred Harrison; secretary, Harry Poland; treasurer, Hugh Mallas.

MAY NOT PLAY

COTTAGE GROVE

The Cottage Grove basketball team may not be able to play the Eugene High school team tomorrow, as has been scheduled, because of difficulty in securing a hall to play in. Manager Harlow, of the local team, expects to hear from Cottage Grove today. If arrangements are unfavorable an effort will be made to secure a practice game with Junction, which has a fairly fast team, sometime during the present vacation. A practice game will be played if it can be arranged with one of the University teams or the High school alumni. The difficulties are not in securing teams to play, but to find a hall to play in.

NEW GYM WILL BE READY IN FEW DAYS

"Hayward Hall," the new University gymnasium, will be ready for use as soon as the students are back from their vacation. The remaining games of the inter-class basketball series will be played on the new floor. The indoor track and parts of the basement are not yet completed. The grounds and exterior have been put in shape and the new gym is a very pretty building.

As soon as the class series are finished Hayward will choose his basketball team.

JIM CORBETT SURE

JEFFRIES WILL WIN

New York, Dec. 21.—I pick Jeffries to win the great battle," says James J. Corbett, former world's champion, in a long statement published here today. "Johnson is over-

rated," continues Corbett. "In all his career Johnson has not defeated any good man of heavyweight caliber. You hear much talk about the cleverness of Johnson. Very few realize that he has only two good punches with his right hand, a short uppercut and a lightning cross counter. His left hand is of no use to him except for blocking. Jeffries, on the other hand, is a real fighter, and no science in the world can stop him. Johnson may swing and jab, but the big fellow will brush his blows aside and force his way through the barrier. Jeffries may take ten blows to land one, but when he lands it means the finish.

"Jeffries and I will do some real fighting in the training camp. We shall strip and fight twenty rounds. This may happen three times or more and will be the severest test that any fighter ever ran up against, but it will give Jeffries a good idea of how he stands."

Dr. York, of Eugene, has taken Dr. Nehrlas as a partner in his practice. Dr. Nehrlas is a graduate of the Pennsylvania College of Dental Surgery, 1895. He has had many years of experience as demonstrator in the New York Dental School, and is a expert in all branches of dentistry.
