

VOTING COUPONS ARE IN GREAT DEMAND

ALL OLD AND NEW SUBSCRIBERS ARE INTITLED TO VOTES WHEN PAYING THEIR SUBSCRIPTION TO THE GUARD -- BE SURE TO GET YOUR VOTES THEY MIGHT BE THE MEANS OF SOME YOUNG LADY WINNING ONE OF THE VALUABLE PRIZES

THE SPECIAL OFFER MEETS WITH GREAT APPROVAL—READ THIS OFFER CAREFULLY—EASY TO BE A WINNER.

Hundreds upon hundreds of free votes are being received from friends and admirers of candidates in person and by mail in the Guard's great \$3,000 popular contest. The wonderful interest already manifested is daily growing in extent and volume. It is already absolutely certain that the greatest contest ever conducted in the Northwest will be a gigantic success. Candidates in every district are organizing their friends for the purpose of winning the most magnificent array of prizes ever offered by a local newspaper. The contest is short. It closes in less than six weeks, but exciting and startling things may occur in the fortunes of the different contestants during this time. This contest will resemble in many respects a political campaign, but it will be far more exciting and profitable to all concerned. Who will be the fortunate winner? It is up to the patrons of the Guard to decide. It may as well be you.

Many subscriptions are being received for the different candidates. Those do not all show in the record of votes published in the paper, but when you remember that the special vote coupons are good at any time during the contest and may be held and voted at any time desired, it is easily accounted for. It is a good idea to secure all votes possible now and hold part of them back for a while. To have a good standing in the paper is an advantage, but you will feel much safer if you have a reserve of which no one knows anything about. In this way no one will know just exactly how many votes a candidate has and how many it would take to defeat her.

The contest is started now, and the ladies are beginning to let their friends know that they are in the contest, and in to win. The prizes are all valuable and well worth the

effort and time put forth in winning them.

No Increase in Price

The votes which are to decide the great voting contest are free to patrons, no increase in the price of subscriptions having been made. The fact that the Guard is giving its patrons an opportunity to select popular young ladies as the ones who will receive the magnificent prizes makes the securing of votes a pleasure and overcomes the embarrassment of canvassing votes that would result if the price were increased.

Great Special Offer

For ten days only, beginning January 18, 8 a. m., and ending on January 29, at 9 p. m. In addition to the above votes given on subscriptions, according to the schedule, we make the contestants the following offer:

We will give each and every contestant an extra ballot of 50,000 votes who turns into The Daily Guard office five new 12-month daily subscriptions between Tuesday, January 18, and Saturday, January 29, at 9 p. m. We will give each and every contestant an extra 25,000 ballots who turns in five new 6-months daily subscriptions between the above dates. This is your chance to catch the leaders. Take advantage of it. Yearly subscriptions count for two 6-months.

Small Payments

Candidates that have taken subscriptions for one, two or three months at the beginning of the contest should get these subscribers to pay the rest of the year, as they are still considered new.

For example, a person who subscribed for the paper and paid 50 cents received 1400 votes, by getting them to pay \$4.50 more you will be given 25,000 votes, less the 1400 votes you have already received on the 50 cent payment, or 23,600 votes on \$4.50 payment. This ruling also

applies to any second payment you may secure, but in all cases six months or more must be added to entitle you to the second payment. The new months will also count in on the special offer now in vogue. When turning in such payments kindly mark your stub "second payment." This ruling is also good on mail subscriptions taken at the \$3 rate, in fact, all subscriptions.

Future Subscriptions

Contestants may find in some cases friends who wish to help them in the contest by subscribing for the Daily Guard, but are already taking a local paper, which is paid in advance, and not desiring to receive more than one local daily in their homes at the same time, the contest department has arranged to accept and issue votes on all such subscriptions, the paper to start at any future date that the subscriber may designate.

New Candidates Register

Each mail brings in its quota of new candidates and many in the city of Eugene are registering every day. Since the first list was published some two weeks ago a great number of names have been added and more will be filed every day.

Any young woman who desires to enter her name may write to the contest manager, and she will at once be placed on the free subscription list to receive the paper at her house every day until the close of the contest and will be furnished with receipt blanks and other information to assist her in securing votes.

Second Payments

A great many people do not understand, and for their information we wish to say that anyone starting to take the paper since the contest started will always be considered a new subscriber during the life of the contest and votes given accordingly. If you start the paper now and pay something in advance and wish to pay more later during the contest

you will still be considered a new subscriber and votes will be issued accordingly.

Prizes Are Free

These prizes will be given absolutely free to the young ladies of Eugene and other districts. All that is necessary to be a winner is to be one of the first four in your district when the votes are counted. The ladies to receive these prizes will be determined by popular vote, as explained elsewhere in this paper.

Of the score of young women who have entered the race for one of the many prizes offered in the Guard popular voting contest, it is interesting to note by what features each is attracted:

One says: "Well, I should like to win one of those \$400 Kimball pianos, but I am afraid it will take more votes than I can get." Another says: "I am just determined to have one of those scholarships in the Eugene Business college and be able to secure a good position in a few months' time."

To a great many who have expressed themselves, the prospects of winning a beautiful diamond ring, or a beautiful watch is worth working for.

Many a young woman will be saying in a few weeks: "Oh, if I only had asked my friends to clip the coupons and nomination blanks from the Guard and had gathered up a few subscriptions, I would be right up in the race and have a good chance to win one of those fine prizes." The Guard never does things by halves and the young ladies who win these prizes are going to be well taken care of.

Votes Easily Earned

The candidates who have received the greatest number of votes have obtained them for payments upon subscriptions. By the individual effort of some of the candidates large numbers of votes are being received each day, showing beyond contradiction that it is easy for an energetic candidate to carry on a successful campaign.

Unpaid Subscriptions Count

All subscribers to the Guard who are in arrears on their subscription account and who settle same are entitled to votes according to the amount paid. When you pay your subscription be sure you receive the votes to which you are entitled.

Summary of Prizes Offered

The grand prize five-passenger automobile will go to the young lady who receives more votes than any other girl in the contest, no matter which district she resides in.

In each of the two districts we will give absolutely free one \$400 Kimball upright piano, one \$200 cabinet graphophone, one \$100 diamond ring, one beautiful gold watch, one six-months' course in the Eugene Business college.

These prizes will be given absolutely free to the young ladies of Eugene and other districts. All that is necessary to be a winner is to be one of the first five in your district when the votes are counted. The ladies to receive these prizes will be determined by popular vote, as explained elsewhere in this paper.
