On the day that you publish in this newspaper a "help-wanted" ad. you will be more widely read, in this city, than Dickens, or any other author. And incidentally you will deserve to be, for that one day, a "popular author."

### USE MY BRAINS

On the subject of real estate values in Lane county, my opinion is stored with knowledge gathered from 25 years of experience in buying and selling Lane county lands, and by careful study of the subject. In making successful investments you must have faith backed by knowledge and knowledge must come from experience and study. In the last five years I have made over \$72,000 for my associates and for myself on Lane county investments that total less than \$7000. If you have ready cash for investment NOW, I will invest it for you, guarantee a return on the principal and give you one-half the net profits. If you put your money in a savings bank at 4 per cent simple interest, you will wait 25 years before you money. If enough to double your real estate NOW under my direction, you will probably double it in two years. This offer will not hold good for long times, but only for the next few weeks while the real estate market is dull and owners are keen to sell. Invest now, take title in your own name, and profits sure.

GEO. MELVIN MILLER,  
Room 20 McClung Bldg. City.

Property consists of—160 feet frontage on Willamette street; saw building 54x260 feet. Full equipment of machinery; stock on hand sufficient to begin operations. This is the best equipped planing mill in town and unquestionably would be kept busy from the day it started, and I can demonstrate that it can be conducted profitably by parties with proper experience and sufficient capital.
