

THE DAYS ARE FLYING BY AND YOU MUST HURRY IF YOU WIN

Only One Day Left in Which to Hustle on the Special Offer—See Your Friends and Relatives at Once—Don't Delay—Do Not Allow Some Other Contestant to Get Your Friends to Pledge Their Support Before You Awake to Your Lost Opportunity—See Them First

The Special Offer for new subscribers closes Saturday, Jan. 29, at 9 p. m. The contest closes Feb. 29, 1910, at 11 p. m. Do not get these dates confused.

The great special offer made to contestants closes January 29, 1910, at 9 o'clock p. m. In order to have subscriptions count on this offer all subscriptions must be received at The Daily Guard office by this hour.

In order to give the girls in the territory outside of the city the same amount of time to work as those in the city the management will accept all subscriptions sent them that are mailed before 9 o'clock Saturday night, but the envelope or package in which subscriptions are sent must bear the postmark of the date and hour mailed together with the postmaster's name and the hour mailed at his office on outside of envelope.

Important Information Regarding Special Offer.

Sixty Months' New Business for the Daily Guard will entitle you to a special ballot of 50,000 votes. Each and every month over the sixty you may be able to secure will entitle you to the proper proportion of another 50,000, in other words, the larger the number of new months the larger your special offer ballot will be.

The special offer that we have been making to contestants for the past two weeks will come to a close on Saturday night at nine o'clock. Do not hold back your subscriptions expecting that you will get more votes later in the contest, but send them in at once.

Marvelous. Yes, that is. No other word could define the interest already manifested in The Daily Guard contest for the past few weeks and seeing how it is progressing cannot help but notice the keen interest that is being taken in it everywhere. Reports come from all over Eugene and the surrounding territory that the candidates are doing all in their power to elicit the aid of their friends and it may be said in passing that those who do this and go about it systematically are the ones who will win one of the eleven high class prizes.

Every contestant should be very sure that her name is on the count slips before casting votes in the ballot box, as we cannot credit these votes to any one unless the contestant's name is given.

The many precautions taken by the contest department to assure everyone a "square deal" and an even chance with all others to become a winner, coupled with the fact that the proposition is a high class one, has attracted the most popular members of every class and has given the candidates and their friends an inspiration to put forth every effort to win in the struggle. To begin with in any contest is a great advantage. It inspires your friends and arouses confidence and enthusiasm, which are prime factors for success. It will take but a few votes to place your favorite candidate in the lead, and to secure the prestige that goes with a good beginning.

Don't forget that the contest does not close for four weeks yet. The closing day is February 29.

Then make your leisure time of some value to yourself and work. All things are possible for any young lady when her efforts are properly directed. Get in the procession, be a winner. It is worth your time.

Here is the opportunity to make your list of acquaintances valuable to yourself. But one demand is made of you, and that is, get busy.

By looking over the standing of

the contestants in the different districts it will be noticed that great changes have taken place since yesterday. Especially is this true in the districts outside of the city and other surprises are in store for the districts later.

Future Subscriptions.

Contestants may find in some cases friends who wish to help them in the contest by subscribing for The Guard but are already taking a local paper which is paid in advance, and not desiring to receive more than one local daily in their homes at the same time, the contest department has arranged to accept and issue votes on all such subscriptions, the paper to start at any future date the subscriber may designate.

Stamped With Seal of Success.

The large number of votes cast for the candidates stamps the greatest popular voting contest ever conducted with the seal of unqualified success. From all parts of the territory embraced, candidates have entered the race, and they are receiving loyal support from their home communities. This makes the contest a uniformly fair one, and no candidate has as yet received enough votes to give a lead that cannot be overcome.

Another feature about The Daily Guard contest that makes it extremely popular, and which is causing interest to spread over the country at a rate unsurpassed in history, is that prizes of equal value will be given in each district, with the exception of the capital prize, the 1910 Ford automobile, which goes to the girl with more votes than any other in the contest.

In each district there will be awarded an equal number of prizes to the young ladies. The large number in the contest assures the candidates that no one person will be able to secure such a large number of votes that others will not be able to overcome the lead. The prizes offered are magnificent, and the contest is still young. If you are a candidate and there are others who have more votes in the contest to date than you may have, there is no cause for discouragement.

Second Payments.

A great many people do not understand, and for their information we wish to say that anyone starting to take the paper since the contest started will always be considered a new subscriber during the life of the contest and votes given accordingly.

If you start the paper now and pay something in advance and wish to pay more later during the contest you will still be considered a new subscriber and votes will be issued accordingly.

No Increase in Price.

The votes which are to decide the great voting contest are free to patrons, no increase in the price of subscriptions having been made. The fact that the Guard is giving its patrons an opportunity to select popular young ladies as the ones who will receive the magnificent prizes make the securing of votes a pleasure and overcomes the embarrassment of canvassing votes that would result if the price were increased.

Small Payments.

Candidates that have taken subscriptions for one, two or three months at the beginning of the contest should get these subscribers to pay the rest of the year, as they are still considered new.

For example, a person who subscribed for the paper and paid 50 cents received 1400 votes, by getting them to pay \$4.50 more you will be given 25,000 votes, less the 1400 votes you have already received on the 50 cent payment or 23,600 votes on \$4.50 payment. This ruling also applies to any second payment you may secure, but in all cases six months or more must be added to entitle you to the second payment. The new months will also count in on the special offer now in vogue. When turning in such payments kindly mark your stub "second payment."

THE CAPITAL PRIZE FORD AUTOMOBILE ARRIVES

The Capital Prize Ford Automobile arrived today and will be taken from the car this afternoon; will be on display at The Guard office Friday.

This ruling is also good on mail subscriptions taken at the \$3 rate, in fact, all subscriptions.

Golden Opportunity.

To get extra votes by little effort. The subscriptions should not be held back until the last day, but should be turned in as soon as secured. Accurate account will be kept of all subscriptions turned in by candidates. This offer is for new subscriptions only, turned in between the above dates.

The contest manager will issue the extra ballots after this offer closes and will mail same to contestants entitled to them.

Open Evenings.

For the benefit of those who are not able to get to this office during business hours, the contest department will be open every evening.

For Evening Home The Rayo Lamp

Some of the sweetest hours of life are passed under the gentle, kindly light of a Rayo lamp.

If it be the Rayo Lamp, the light has an added charm—makes reading and writing a pleasure. There are no aching eyes after sitting under the rays of the Rayo Lamp. The Rayo Lamp diffuses a steady, soft light, the least trying of any artificial light of brass throughout—nickel-plated central draught burner.

The Rayo is a low-priced lamp, but gets a better lamp at any price.

Once a Rayo user, always a Rayo user. Every Dealer Everywhere. If Not a Dealer, Descriptive Circular to the Nearest Dealer.

WRIGHTS MAY FLY TO NORTH POLE

Dayton, Ohio, Jan. 28.—Commander Peary announced today his belief that Orville and Wilbur Wright were planning an aeroplane trip to the North Pole, following a conference during which the famous aviators pled Peary with countless questions.

Peary said he considered the trip possible. He gave the Wrights a minute description of atmospheric conditions as he encountered them on his successful trip.

The Wrights, following their usual custom, declined to discuss their plans and would neither affirm nor deny the report that they would attempt to fly to the Pole. Peary delivered a lecture here last night and the Wrights were in his audience.

Probably the greatest coffee substitute known to grocers everywhere is Dr. Shoop's Health Coffee. It actually goes a third farther than all others, and beside, it "is made in a minute." No 20 to 30 minutes' tedious boiling is at all necessary. Pure toasted grains, malt, nuts, etc., have been so cleverly blended as to give a wonderfully satisfying, true, genuine coffee flavor and taste. And not a grain of real coffee is used. 100 cups, 25 cents. Sold by all dealers.
