

Not Sisters

Now and again you see two women passing down the street who look like sisters. You are astonished to learn that they are mother and daughter, and you realize that a woman at forty or forty-five ought to be at her finest and fairest. Why isn't it so?

The general health of woman is so intimately associated with the local health of the essentially feminine organs that there can be no red cheeks and round form where there is female weakness.

Women who have suffered from this trouble have found prompt relief and cure in the use of Dr. Pierce's Favorite Prescription. It gives vigor and vitality to the organs of womanhood. It clears the complexion, brightens the eyes and reddens the cheeks.

No alcohol, or habit-forming drugs is contained in "Favorite Prescription." Any sick woman may consult Dr. Pierce by letter, free. Every letter is held as sacredly confidential, and answered in a plain envelope. Address: World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.

GREATEST DAY IN HISTORY OF EUGENE CHRISTIAN CHURCH

Yesterday was the greatest day in the history of the Christian church in Eugene. Evangelists Brown and Huston were both at their best, and the great audiences that thronged the building at all the services seemed to catch the enthusiasm of Evangelist Brown when he said that the church should build. There were 706 in the Bible school, which is the largest attendance the school has ever had. We give a short report of the two sermons.

"The Twentieth Century Church"
The evangelist discussed this subject in a masterful way. He said in part, "The Twentieth Century church must be a consecrated church." She must march to victory on her knees; a theatre-going, card-loving, circus-loving, dancing church will never win the world to Christ. The consecrated disciple will not have time for these things. I never preach sermons against dancing and card playing. No consecrated Christian will spend his time in that way. Horace Mann, the greatest educator of the last century said, "Consecrate yourself to the Lord." These words were spoken to a skeptical student as he was standing by the bedside of Prof. Mann when he was dying. More consecration is what we need.

"It Must Be a Business Church"
"We need more business in our church work as well as more Christianity in our business. We should build the best houses that are to be built and put them on the best lots in the cities and towns where they are located. If we didn't have any more business in our secular affairs than we sometimes have in the church, we would go into bankruptcy in less than six months."

"It Must Be a Missionary Church"
"We must take the world for Christ. The Great Commission is to go into all the world. Christ did not say, 'Go into all the United States and Oregon,' but he did say, 'go into all the world.' We raised twenty-one million dollars last year for foreign missions. We have one hundred thousand workers in the foreign field."

"It Must Be a Scriptural Church"
"We must restore the New Testament church. It must be the church of the first century. What sort of a church did we have then? We had a church with a plurality of bishops for each congregation and not a plurality of churches for each bishop as we have now. In the New Testament church they had deacons and elders or bishops. They had no reverends then or doctors, or 'pastors' as we have today. Pastor and elder mean about the same thing, at least, they apply to the same office. They were elders, pastors, bishops, or overseers and all the names referred to the

same office. The preacher is not the pastor of the church. Think of them speaking of the Right Reverend Pastor, D. D., L. L., D. X. Y. Z., etc. It is just Peter and James and John, etc.

"When the New Testament church or the church of the first century is restored we will have a united church. They had no human names or creeds to divide them. If a creed has more in it than the Bible it has too much. If it has not as much as the Bible, it has too little, and if it has the same as the Bible, it is not needed. As long as we have human creeds and human names, the church will remain divided, but when we lay aside the things that divide we will have restored the unity of the first century church. Christian unity can never come about until we restore the New Testament church."

"A Sure Highway, or the King's Highway"

The evangelist spoke on the above subject at the evening service. "If you wanted to buy a house and lot and could get one on the right corner for two thousand dollars or one on the left corner for the same price, and there was some doubt about the deed to the one on the left, which one would you take? You would take the one where there is no question about the deeds. If you are of equal value, wouldn't you? We want to be sure when it comes to our souls' salvation. If there is no Christ and no hereafter, you do not lose anything by serving Christ here; you are a better man. If the Bible is true and you do not serve Him, you will be lost. You have all to gain and nothing to lose. If the theory of universal salvation is true you have nothing to lose by becoming a Christian. You are safe when you are having everything to gain and nothing to lose. You want to know about baptism. You want to be sure that you are right. All the churches will tell you that immersion is baptism, but millions of people will say that sprinkling is not baptism. If you want to be sure you had better take the form that all are agreed upon. You would take the property about which there is no question as to the deed; why not show the same judgment about baptism and take that about which there is no question? All Christian people say immersion is baptism, and the Bible teaches it, then if you want to be sure, be immersed."

The subject for this evening is, "Is the Young Man Safe?" Every mother and father in Eugene should hear this sermon.

AIMA NEWS

Special correspondence.
Alma, Jan. 24.—Wonder what every one does to keep themselves entertained this kind of weather? Somewhere the sun is shining. But here there's lots of rain. And now our hearts are pining for sunshine once again.

Mrs. Hartman has been visiting with Mr. and Mrs. Salter for the last week, but owing to high water, she has not returned home yet.

F. Yates passed through here a few days ago on his way to the lower Siuslaw.

We were very sorry to hear of Chas. Layne getting drowned. It was indeed quite a shock to everyone.

Mrs. Whitcomb visited Mrs. Luce Berra a returned home. Mr. Luce Berra, while visiting a new axe the other day, cut his foot quite badly. It is supposed that he wasn't anything very handy for him to chop so he thought he would test his "big feet."

The Almatos have been thinking of planting their early ardens, but if this weather continues it will not be very pleasant work.

Bert Allegan has purchased some turkeys from his brother-in-law, Claire Ross, of Elmira, and will try his luck raising turkeys. Gobble! Gobble! No one in this vicinity need go to 20 or 30 miles to buy a turkey for his dinner.

We hear that Ed Pettit is talking of hiring a teacher who has green eyes, yellow hair, is 7 feet tall and is 44 years of age. What about that, Ed?

Thousands Have Kidney Trouble and Never Suspect It.

How To Find Out:
Fill a bottle or common glass with your water and let it stand twenty-four hours; a brick dust sediment, or settling, stringy or milky appearance often indicates an unhealthy condition of the kidneys; too frequent desire to pass it or pain in the back are also symptoms that tell you the kidneys and bladder are out of order and need attention.

What To Do.
There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills almost every wish in correcting rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. Corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of Swamp-Root is soon realized. It stands the highest because of its remarkable health restoring properties. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. Mention this paper and remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
