

S. H. Friendly, The Leading Store

Hosiery Special

Look in our window, see the values we are offering for Monday and Tuesday. We purchased 100 doz Misses' and Children's black and tan hose direct from the mill. They are ordinarily 25c stockings, but they have slight imperfections such as broken threads or a dropped stitch, which does not impair the wearing quality of the stocking. We will place this lot on sale beginning

Monday A. M. at 12½c per pair or \$1.35 per. Doz.

At the Christian parsonage in Eugene Feb. 19, 1910, William Hugh McGuire and Miss Mary L. Allen, Rev. Floyd A. Ross officiating.
A Cough
is a danger signal and should not be neglected. Take Dr. Bell's Pine-Tar Honey at once. It allays inflammation, stops the cough and heals the membranes. For sale by Dillon Drug Co.

WILLAMETTE VALLEY LEAGUE IS ORGANIZED

Baseball Season Begins on April 17 and Ends Middle of July—Meeting Yesterday

The Willamette Valley Baseball League was formally launched yesterday at a meeting held in this city by representatives of the fans at Albany, Cottage Grove, Springfield and Eugene. The season will open on Sunday, April 17, and close about the middle of July. Games will be played on Sundays and holidays.

The league organized by the election of State Senator I. H. Bingham, of Eugene, as president; J. J. McCormick, of Eugene, vice president, and Wallace, of Cottage Grove, secretary and treasurer. Committees were appointed to arrange a schedule and to further set the league on its feet by the arrangement of the necessary details.

Those present at the meeting were Sid Smith and J. J. McCormick, of Eugene; Lee and Paul Driver, of Albany; and David Griggs and Orville Knapp, of Cottage Grove. Springfield was represented by Smith and McCormick as proxies.

Already Signing Players
Each city in the league will have teams, and already players are being signed up. Eugene will have nearly all of the players of last season on hand with a few additional men, some of them old leaguers. Little is known as to the management of the team at Albany, but the local team, but a captain has not yet been chosen. Lee Driver and William Eagles are backing the Albany team, and Griggs and Knapp the Cottage Grove team, but the managers have not yet been announced. Very little is known as to the management of the team at Springfield, but the fans there are assured of a lot of good players. Both the Eugene and Springfield teams will use the Midway park, on the electric car line.

TELEPHONE COMPANY

RAISING SWITCH CHARGES ON FARMERS

Director of Rural Line Favors Organizing a Farmers' Switch in Eugene

Elmira, Or., Feb. 20, 1910.
Editor Guard:—I see by The Guard that the Pacific States Telephone Co. is about to raise the tax on the people of Eugene. If that is all they were trying to do, it would not be so bad on the farmers, but they are raising the switch charges 500 or 700 per cent. I suppose the \$150,000,000 dividend declared for the past year was not enough.

The Home Telephone Co. applied for a franchise in Eugene two or three years ago, and the business men of Eugene sent in a petition remonstrating against it and the council refused the franchise, saying it would compel them to have two phones. A merchant of Lebanon told me last summer that he received better service for 45 cents at the home, than he did for \$1.50 from the Pacific States, and when the time was out for which he had paid, for the last named, he would not use it any longer. Now, if the independent company does not build through our county I am in favor of organizing a farmers' switchboard in Eugene. There are now 1381 farmers' phones in the county, which at the price asked for switch charges would make \$9900.00, saying nothing of the people of the towns who pay from \$12 to \$50 for their phone per year, and if the business men of Eugene don't care to be connected with the farmers we will organize clubs over this county and send off to the mail order house for all we use and prove that we can live as well without them as they can without us. I want an expression from the officers or some one from every line in the county.

W. B. SMITH,
Director on F. 36.

FIFTEEN ARE ADDED AT BROWN REVIVAL

Sunday at the Christian church was a great day. At every service the house was crowded to the limit. Sunday night every available foot of space in the entire building was occupied by eager listeners to the gospel as preached by Brown.

Sunday night Brown preached on "Christ the End of the Law." He showed that the Old Testament was only in force until Christ was crucified and had risen from the grave. The law was nailed to the cross. We today are living under the Christian dispensation or the Holy Spirit dispensation and our sins are blotted out by the blood of Christ. In the old law the sins were covered up by the blood of animal sacrifice but now since Christ shed his blood for our redemption our sins are blotted out by the blood of the lamb of God that taketh away the sins of the world.

The Christian church revival will continue this week. Dr. Brown expects to make this week a great time in the saving of souls. Already 230 have been added.

Wednesday night his subject will be "The Unpardonable Sin," exceptionally good. Huston was at his best. The chorus work is simply grand. Sunday night Prof. Huston and Prof. Glen repeated the song: "I want to be ready to go." It was very much appreciated as well as the solo which Prof. Huston sang immediately afterward.

Everybody invited. Co. C's dinner last Tuesday evening.

Dyspeptics

Heartburn, Nausea, Wind in the Stomach, Sour Stomach, Acidity, Sleeplessness arising from indigestion, all discomforts of Dyspepsia. They are composed of the best digestive, carminatives and correctives, and are agreeable and economical. Put up in three sizes, 10c, 25c and 50c.
