Are You Contemplating Building a Home?

In no place is the selection of the right and well-adapted place to build your home of so much importance as here in Oregon; on your selection will depend largely the health of your family, your pleasures, your happiness and your prosperity. The seasons here in Oregon require that you should have perfect drainage. Nothing is of more vital importance than the selection of a well-drained lot. Secondly, you should be where you have plenty of fresh air ventilation; to build in the flat and crowded part of the city will prevent you from obtaining the necessary fresh air, which is absolutely needed for your health, especially so for the man or woman who is housed in closed quarters all day in business.

WE OFFER FOR YOUR CONSIDERATION FAIRMOUNT HEIGHTS OR CHULA VISTA PARK

These additions are on the car line, overlooking the city and valley. You can select here the most conspicuous building site to be found in the city at a reasonable cost.

You can get lots one, two or three blocks from car line, and the price we now ask will double in the next two years. Prices now \$400, \$500, \$600 and \$800 per lot. You can get easy terms of payment, but we will require that you shall make good improvements when you do improve.

Why not select your lot now and make plans for your home? Plant trees and roses and have them growing. It will give you something to do in your spare moments.

We also want you to see Mathews Park, which is platted in acre lots. They are selling fast, and we do not know of a better opportunity to get a whole acre for the price that you would give for a single city lot.

We have several good farms for sale. Call and see us; let us show you these properties.

IDAHO BOYS SAY

O. A. C. BUNCOED THEM

The University of Idaho basketball team arrived in Spokane yesterday afternoon en route to Moscow from a strenuous campaign in Oregon, where the boys claim to have been robbed of the game with Oregon, says the Spokane Inland Herald.

The team includes Coach Grogan, Manager Walker, Captain Edmundson, Fritz Lundstrom, Rex Curtis, Kelly, Tate, Chingoo and McWilliams.

"We are not the kind to make a scream because we lost a game, because we're used to that sort of a thing," said Captain Edmundson, "but the game at Corvallis was the rankiest kind of robbery."

The Idaho boys say that there was an out-of-bounds rule which was observed all through the game until after the score was tied at the end of the game, and the referee called for extra play, when the ball was thrown out of the court, struck the wall and bounded into the hands of an O. A. C. forward, who scored the basket that won the game.

With the exception of the O. A. C. game the boys are loud in their praise of the treatment they received all along the line.

SEALS DEFEAT

THE WHITE SOX

San Francisco, March 7.—Comiskey's White Sox No. 1 broke even in their games Sunday with Oakland and San Francisco.

In the morning game the Sox were shut out by the Commuters 2 to 0, while in the afternoon the visitors beat the Seals 9 to 2.

The defeat accorded the Seals was not particularly pleasing to the fans.

NOTES AND NEWS

FROM LOWER SIUSLAW

George O. Knowles arrived here yesterday from Eugene to spend a few days with relatives.

Miss Laura Johnson, who has been at Eugene during the winter, returned to Glenada Monday to care for her grandfather.

The warehouse on the Collier wharf at Glenada was blown into the bay by the high wind Friday night.

Omar Wisdom, edgerman for the big mill at Florence, bought three Glenada lots of Wolf & Kemp, and will build a home there this summer.

Wm. E. Brower and wife departed Wednesday for their home in Eugene, after spending six weeks in Florence, where Mr. Brower was employed as compositor in the West office.

Maple Creek item: The proprietors of the Maple Creek cheese factory are, I believe, making preparations to commence the manufacture of some more of the excellent cheese which our country has been enjoying the past year.

In response to a call for his professional services, last Thursday Dr. I. B. Bartle, of North Bend, made a trip to Florence by stage up the beach from Coos Bay in seven and a half hours, and arrived here in 16 hours from the time he received the message.

Real estate in Acme is changing hands lately. A few days ago Riley Mills purchased M. Noffsinger's house and lot in that town, and also the Jared Scott house and lot adjoining the Noffsinger property. Mr. Scott then purchased what is known as the Gates place from Clarence Sellers.

Mrs. A. H. Nottage suffered a stroke of paralysis last Saturday morning at the home of her daughter, Mrs. Frank Fox, in Glenada. She was brought across the river Saturday morning and is now at her home in Florence. The left side is affected and she has little or no use of the limbs on that side.—Florence West.

How Good News Spreads.

"I am 70 years old and traveled most of the time," writes B. F. Tolson, of Elizabethtown, Ky. "Everywhere I go I recommend Electric Bitters, because I owe my excellent health and vitality to them. They effect a cure every time. They never fail to tone the stomach, regulate the kidneys and bowels, stimulate the liver, invigorate the nerves and purify the blood. They work wonders for weak, run-down men and women, restoring strength, vigor and health that's a dull joy. Try positively guaranteed by W. A. Kendall Drug Co."

A Smooth Skin
Black Heads, Chaps, Pimples, Sores and all unhealthy conditions of the skin are unsightly and detract from the looks. Buy a box of Dr. Bell's Antiseptic Salve, a creamy, snow white ointment, apply as directed and your skin will be as clear as a baby's. At all dealers in medicines. Sold by Dillon Drug Co.

who are supporting the champions, but it must be noted that Long worked his bush pitchers, and that six of the White Sox runs were made off Melkie. Rex Ames did good work, and Vitt, the bushier third baseman, made quite a hit, and promises to be a figure with the team.

LOS ANGELES TRIMS

WHITE SOX NO. 2

Los Angeles, Cal., March 7.—After a trip of eight days and nine nights, White Sox No. 2 arrived from Chicago Sunday morning and hardly had time to stretch their legs before they had to play the first exhibition game with Los Angeles before 3000 people.

The Chicagoans showed fairly well but did not try to extend themselves at their first practice game, and their pitchers were not in shape. The Los Angeles pitchers held the Sox down to six hits, while the locals made 19 off Young, Schmirler and Holm.

Los Angeles practically clinched the game in the first inning, when it made four runs from three singles, two errors, a base on balls and a sacrifice. Cole, of the Sox, hit two doubles and a single in four times at the bat. There were a number of pretty plays, but nothing brilliant.

ANOTHER PRACTICE

GAME IS WON

Santa Maria, Cal., March 6.—In a practice game here today the Portland team of the Pacific Coast League defeated the Santa Maria team by a score of 5 to 0.

For Portland Fisher and Murray and Guyn and Ryan were the batterers. Martinez caught for Santa Maria and Harden pitched. It was a fast, well-played game.

FARMERS WON GAME

FROM WASHINGTON

O. A. C. won from Washington Friday night by the score of 26 to 14. As was predicted yesterday, the game at the college gym was a fast and furious one, and the best team won. The first half, while fast and exciting, did not compare with the final for fast team work and individual playing.

Brooks, left guard for O. A. C., had four fouls called on him in this half, and had to be cautioned by Referee Scott. Right Forward Reed and "Chief" Keck show in this half, each getting two baskets, while Horton got but one free throw, missing one. Cooper played a swift and heady game, though not making any points for his team.

The second half was a hummer. Both teams were on their mettle, for as the first canto had ended 9 to 8 in O. A. C.'s favor, the visitors came back with the evident determination of cutting down this lead of one and forging to the front, a feat they failed to do, however, though at one time the score was tied.—Gazette-Times.

OLIVER TO SPEAK IN

CHAUTAUQUA BUILDING

Ashland, Or., March 6.—Revivalist Oliver is coming to Ashland for a month's campaign, under the auspices of the Ashland Ministerial Association. His advance agent, Rev. M. Beeler, has been here for several days making arrangements for the meetings, which will be held in the Chautauqua tabernacle.

Some of the members of the latter society, it is reported, read in the papers of the alleged utterance of the revivalist at Eugene, and objected to the use of the Chautauqua tabernacle for the meetings. The evangelist's representative, however, said that the press had greatly misquoted his chief, and after some discussion the objection was withdrawn.
