Our
\$3.00
Shoes
For Men

SOME MEN
It impossible
get a first class
for \$3.00, but
don't know any
ter until they
here and find

People wonder how we can sell good shoes so cheap. It's simple. more shoes you make the less cost; the more you sell the less it to sell each pair. The maker down the profit per pair, SO DO and the price of the shoe to you down. Nothing is sacrifice. leather is as good though you more, the making is right, so are styles.

NOW SIR---Investigate our \$3.00 assertion.
