**HILL SAYS ROAD ACROSS OREGON WILL BE BUILT**

**Burns People Give Party Magnificent Reception—Continue Tour Westward**  
Burns, Or., May 12.—Louis W. Hill, president of the Great Northern, made the positive statement at Burns yesterday that the east to west railroad across Oregon would be built. Hill and his party left Burns yesterday for the P ranch, 65 miles south, which is owned by William Hanley, the cattle king of Harney county, who is driving the party through the interior.  
Hill and party have been in Burns since Monday evening, and during their stay were given a magnificent reception by the people of this city. The railroad president is much pleased with central and eastern Oregon. After a short visit at Hanley, a 125,000-acre ranch, the party goes south to Lakeview, Klamath Falls and on to Medford.

**BIG REAL ESTATE DEAL MADE NEAR COTTAGE GROVE**

The deeds in a big land deal near Cottage Grove were transferred and recorded last week in which W. H. Anderson of this city becomes owner of the 965 acre tract of A. L. Woodard, five miles south of this city on the Coast Fork river. Mr. Anderson already owned about 35 acres adjoining this big tract on the east which gives him a 1000 tract of good timber and fruit land now all in one body. A good many acres of this tract is logged off land and with a little clearing and burning several good little homes could be established. Of the tract more than 125 acres is under cultivation or ready for cultivation. The consideration in this transaction has not been made public. Mr. Anderson will proceed to cut and market two or three thousand pillings from the tract, will farm part of it, and fence and rent much of the remaining tract.—Leader.

**POOR WORK OF CENSUS MEN NOT CONFINED TO EUGENE**

Creswell, Or., May 12, 1910.  
Editor Guard: I would like to see a fair enumeration of Lane county and the state of Oregon, but it looks now as though it will be a failure. The supervisor sent us a student from the University of Oregon. He skinned along the main road and on Main street and got part that was handy. Myself and another man have an office on Main street, but he never called nor went to our residences. Can you spare us a man or two, as the time is now very short to complete the census. Respectfully yours, J. L. CLARK.

**THREE YOUNG MEN HOLD UP SEATTLE CAR MAKING A RICH HAUL**

Seattle, May 12.—The police believe the gang of 3 young men who held up a south park trolley car early this morning, taking more than \$1500 in money and jewelry from the passengers and conductors are the same men who robbed the Alki Point car almost at the same place several months ago. They were familiar in the operation of the cars and selected the time when a saloon keeper was on his way home with the proceeds of the night's sales. The heaviest loser was E. G. Berry, a liquor dealer, who yielded \$1250 in money and jewelry. On one passenger were three loaded pistols, which he surrendered meekly.
