YOUR FAITHFUL Bell Telephone, always at your
side, steadily increases in usefulness. It does a
score of errands while a messenger is doing one.
Come to accept telephone service as a matter of
course, like the air you breathe, or the water you
drink. Your Bell telephone performs these daily ser-
vices of neighborhood communication, and it does
it as a unit in the universal system and enables
you to reach any one at any time within the range of
the Distance Service.

ed to care for the dump regularly.

The members of the Corvallis
High school track team arrived here
this afternoon to meet the Eugene
High school team tomorrow. The
members are: Arne Coppel, Lloyd
Farmer, Oren Morris, E. J. Walcott,
Everett A. Moses, Geo. Hotchkiss and
Harold Miller.

J. G. Stevenson, formerly county
school superintendent of Lane, who
has been residing at Klamath Falls
for a number of years past, has
bought a residence on Pearl street,
near East Sixth, from I. E. Stevens,
for \$2250, and he will move his fam-
ily here to reside.

The stage passengers out this
morning were as follows: Charles
Raymond and L. Small, to Foley
Springs; D. N. Gates, to Deerhorn;
County Surveyor C. M. Collier to Blue
River; Leo Stewart, to Foley Springs;
Tony Wray, to Fall Creek, and John
Davies, to Elmira.

Mrs. Ethel Walker Trimble will
deliver her address entitled "The Girl's
Dang" at the Fairmount
Presbyterian church Sunday, May 15,
at 2:30 p. m. All ladies and girls
over 12 years of age are invited to be
present. No one can afford to miss
this most excellent address.

The Southern Pacific has reduced
the rate on flour between Albany and
Drain from 14 to 12 cents per 100
pounds. Complaint was made by the
Albany Milling Company and when
the state railroad commission took
the matter up with the railroad com-
pany the reduction was made volun-
tarily.

Theatre goers who enjoy high-class
entertaining vaudeville with merit
should not miss seeing the attraction
at the Bell theatre tonight. Manager
Swiney deserves much credit for se-
curing such performers as Melbourne
MacDowell and Virginia Drew. Tre-
cott, who are putting on an excellent
sketch entitled "The Sheriff and the
Widow."

A petition is being circulated
about the city calling for the refer-
endum on the city ordinance re-
cently passed by the city council
prohibiting the running at large on

the streets of dogs. The petition asks
that the matter be referred to the
voters of the city, but it cannot come
up till next regular election, which
occurs on April 5, 1911.

The work of remodeling the front
of G. D. Linn's drug store was begun
this morning. A modern plate-glass
front will be put in and the window
display space will be greatly en-
larged. Included in the interior re-
arrangement of the store will be the
installation of a fine soda fountain.
This store, when the improvements
are completed, will be one of the
finest in the valley.

Albany Democrat: A pleasant so-
cial event yesterday afternoon was a
reception tendered in honor of Miss
Lena Miller, at the home of Owen
Beam, by Miss Miller's former school-
mates, Mrs. Beam and Mrs. Charles
H. Stewart. The decorations were
hearts, with a reason for it. Mr. Roy
Wood, a former University of Oregon
fellow student, is the fortunate young
man, and the date for the hearts to
beat as one is said to be the 25th. A
fine time was had, both in fact and in
anticipation.

The Northwestern Eugene Im-
provement Club has a committee at
work securing subscriptions to the
\$12,000 bonus to secure the exten-
sion of the street railway system to
that part of the city. They are meet-
ing with good success so far. George
Croner and D. M. Purkerson have
agreed to donate a small tract of
land at the corner of West Fifth and
Fillmore streets on which to build a
waiting station. The other property
owners in that vicinity have agreed
to plant flowers and trees around
the building.

The special census enumerators ap-
pointed by the Commercial Club re-
port that they are rounding up

good many people missed by the reg-
ular enumerators. J. L. Marsh re-
ports that he found about fifty peo-
ple in Fairmount who were not
counted and others report quite a
number in different parts of the city.

J. E. Martin found 11 persons in a
restaurant who had not been seen by
the enumerator. It is hoped that
every person within the city will be
counted. The total count is going to
fall far short of expectations, even
if every soul in Eugene is enumer-
ated, so let everybody help with the
work and make as good a showing as
possible.

It was the Patterson school team
that was defeated by the Central
team instead of the Geary team, as
announced yesterday. The Geary
school has not yet been beaten.

Arthur Bennett, the general press
agent of Sells-Floto circus, was in

If Sick

Don't risk even one single penny!

And I will tell you why I say this.
It is because every package of Dr. Sells-Floto
medicine is absolutely FREE of all poisons.
No one need risk even one single penny.
Just think what this means in the suffering
sick!

No risk, no expense, nothing whatever unless
health first returns. For 30 full days, and
without the risk of a single penny, you can see
either of my two grand remedies—Dr. Sells-Floto
Restorative or the Grand Pneumonic Remedy.

Then why take any chance whatever?

Why purchase any medicine when
maker dare not back it just as I do by
this remarkable offer!

And besides, I am not strange to you.
Besides, you are free to consult me by letter.
Shoop's Restorative is a specific in every drug store
in the land. The price is 50c per bottle. We take
no chance whatsoever.

For twenty years Dr. Shoop's medicine has
become thoroughly standardized all over America.
And I have been in every village, every
town, every city, every large city, and
the druggists in every town and village recog-
nize to see my medicine in their stores.
When to see my medicine in your store,
select the druggist who has my medicine with
the sick—and the entire risk is mine alone.

But write me first for an order.

I have an agent in almost every commu-
nity—but all druggists are not authorized to grant
the 30 day test.

So drop me a line, please—and thus save all
disappointments and delays.

Besides, you are free to consult me by letter
as you would your home physician. Do so freely
and fully if you desire. My advice and the book
below are yours—and without cost. Perhaps a
word or two from me will clear up some serious
illness. I have helped thousands upon thousands
by my private prescription or personal advice
plan.

Besides, the books will open up new and
helpful ideas to you. They tell of my 30 years ex-
perience at the best of my homes and in Hous-
ton, Texas. All phases of my life are told of
here. They tell of my "Hopes" inside every
no larger than a slip of paper, that given to the
Heart, its impulse. How the blood is made and
each have their inside or power nerve. How
these organs surely falter when these controlling
or master nerves begin to fail. How Dr. Shoop's
Restorative goes right to these failing nerves,
and rebuilds, and vitalizes, and restores the full
tone and power, a call upon help you—of it is
within the power of medicine to do so. My
effort is surely worth your single request. So write
now, while it is fresh in my mind, to thousands
near or come. Dr. Shoop, Box 12, Berlin, Wis.
