determine whether there will be a violation of the statute or not. If during the fight the principals or their representatives violate the law, they will be punished. As had been stated by the courts, both in this country and England, it is a question for a jury to determine whether such a contest is a sparring match or a prize fight.

"If a majority of the people of the state of California are against professional sparring exhibitions, their remedy lies with the legislature to prohibit the same."

Coast League Scores.

Oakland, 7; Portland, 6.
San Francisco, 4; Sacramento, 1.
Vernon, 5; Los Angeles, 8.

The good baseball player will make every play, however simple, as if the game depended upon it. The grand stand player, who uses a flourish, always meets with disfavor on the bleechers.

Among the former Tri-City League players making good with outside teams are the following: Hatch and Pembroke, with Cathlamet; Rich Parrott, at Eugene; Tauscher, at Cottage Grove; Frank Troch at White Salmon; Causey at Lakeview; Fitchner and McBride with Chehalis; Lake and Shea with Hood River; Arch Parrott at Gresham and Jock Olney at Goldendale.—Telegram.

The Drain baseball nine captured their fifth straight game this season on Saturday last. They playe this game with the Creswells, and scored 26 to 2. There isn't much credit in making a score of that size, and the boys must get a little more "ginger" in the other side, or "the crowd" won't care to see the game.—Drain Nonpareil.

JEFF'S OPINION OF THE BATTLE

The other night at Hammerstein's Theatre, New York, James J. Jeffries, the retired heavyweight champion of the world, was invited to a private exhibition of the moving pictures of the Johnson-Ketchel contest. No one was in the theatre but the boilermaker and the entire staff of sporting editors of the New York dailies.

Jeffries watched the pictures very attentively throughout, the newspapermen waiting to hear his comment. "Ketchel," said the ex-champion, was a bit too small for the negro, but at that he gave Johnson a terrific fight. After looking at the picture I am more convinced than ever that I can lick him, bringing back the championship to the white race. If Ketchel can nearly put the negro out, as he did in that last round, what will I do to him?"

Jeffries marveled at the clearness of the films and the graphic manner in which ever blow was recorded.—N. Y. Telegraph.

These pictures will be exhibited at thme Aloha Theatre Monday and gwk the ALOHA THEATRE Monday and Tuesday, May 23 and 24. Admission 10 cents. Afternoon and evenings.

DR. BELL'S ANTI-PAIN

GASOLINE MOTOR CAR WILL MAKE DAILY RUN TO WENDLING

New Time Table on S. P. Lines Will Go Into Effect Sunday Morning

A new time table on the Southern Pacific will go into effect Sunday morning, the schedule having been received by Agent Gillette this morning. The only change on the main line, as far as can be discovered, is that No. 18, the north-bound evening local, will arrive at Eugene at 4:45 o'clock instead of at 4:52 as at present, and No. 19, southbound afternoon local will arrive at 2:05 instead of 2:04.

The new schedule provides for one round trip daily of the gasoline motor car on the Springfield branch between Springfield and Wendling, the trip to be made between the hours of 10:30 in the forenoon and 1:40 in the afternoon, during which time the motor car has remained at Springfield heretofire. This will be a big convenience for the people on the Mohawk branch and will better the service on that line greatly, for heretofore, the mixed train is delayed every day on account of so much switching to do at the various stations.
