## MY SISTER

**Free to You and Every Sister Suffering from Woman's Ailments.**

I am a woman.
I know woman's sufferings.
I have found the cure.

I will mail, free of any charge, my home treatment with full instructions to any sufferer from woman's ailments. I want to tell all women about this cure—you, my reader, for yourself, your daughter, your mother, or your sister. I want to tell you how to cure yourselves at home without the help of a doctor. Men cannot understand women's sufferings. What we women know from experience, we know better than any doctor. I know that my home treatment is safe and sure cure for Leucorrhoea or Whitish discharges, Ulceration, Displacement or Falling of the Womb, Profuse, Scanty or Painful Periods, Uterine or Ovarian Tumors, or Growths; also pains in head, back and bowels, bearing down feelings, nervousness, creeping feeling up the spine, melancholy, desire to cry, hot flashes, weariness, kidney, and bladder troubles where caused by weaknesses peculiar to our sex.

I want to send you a complete ten day's treatment entirely free to prove to you that you can cure yourself at home, easily, quickly and surely. Remember, that it will cost you nothing to give the treatment a complete trial; and if you find you only about 12 cents a week or less than two cents a day. It does not interfere with work or occupation. Just send me your name and address, tell me how you suffer, and I will send you the treatment for your case, entirely free in plain wrapper. I also send you free of cost, my book—"WOMAN'S OWN MEDICAL ADVISER" with explanations showing why women suffer, and how they can easily cure themselves at home. You must have it, and learn to think for herself. Then when the doctor says—"you must have an operation," you can decide for yourself. Thousands of women have cured themselves by this remedy. It cures all old or young. To Mothers of Daughters, I will explain a home treatment which will quickly and effectually cures Leucorrhoea, Green Sickness and irregularities of Menstruation in young Ladies, Plumpness and health always results from its use.

I do not refer you to ladies of your own locality who know and will gladly tell you that my Home Treatment really cures all women's diseases, and makes women well. Just send me your address, and the free ten day's treatment is yours, also my book, which you may not see this offer again. Address

**W. WYETH'S SAGE AND SULPHUR HAIR REMEDY**

**Grew a Full Growth of Hair on a Bald Head**

## Here's the Proof

For two or three years my hair had been falling out and getting quite thin, until the top of my head was entirely bald. About four months ago I commenced using Sage and Sulphur. The first bottle seemed to do some good and I kept using it regularly, until now I have used four bottles. The whole top of my head is now fairly covered with hair and it keeps coming in thicker. I shall keep on using it a while longer, as I notice a constant improvement.

The birthright of every man, woman and child—a full, healthy head of hair. If your hair is falling, if it is full of dandruff, or if it is faded or turning gray, it is diseased and should be looked after without delay.

WYETH'S SAGE AND SULPHUR HAIR REMEDY, a true Hair Tonic and Restorer, removes dandruff in a few days, stops hair falling in one week, and starts a new growth in a month.

Wyeth's Sage and Sulphur does not soil the skin nor injure the hair; but it is an ideal hair dressing that will restore faded and gray hair to natural color and keep the hair soft and glossy.

### Dividends to you if you so choose.

You know, yes, you must know, that all California oil companies operating in proven fields are making tremendous sums of money; you know, for it is published repeatedly in the daily papers that these companies are paying out over one million dollars in dividends each and every month. You know, yes, you must know by this time that there is nothing in the mining, agricultural, manufacturing or mercantile business in the United States that can today come anywhere near equalling the money being made in California oil. You must know from the reading of the daily papers that there is no industry in which the modest investment can so rapidly bring back such large returns, where really small beginnings produced fortunes in a few years' time as investments in California oil companies. This offering then should mean to you your chance to enjoy some of these big dividends, some of these fortunes, for in this company the modest investor or the investor who puts in from $1000 to $5000 is absolutely certain of results and impregnably safeguarded in every way.

Stock is now selling at 40 cents per chare, but remember this price will not last long, so act at once.
