Acreage Inside the City Limits of Eugene for $650 to $750 an Acre

Mathews Park will then be the only acreage for sale in acre tracts in the City Limits. These acre tracts do not cost any more than do city lots less than three blocks away, and an acre will make four regular sized lots. They are located on North Blair street and will be on the proposed Eugene-Junction City Electric Line that is to be built this summer. The soil in Mathews Park is rich river loam—there is none better for truck gardening or for orchard.

Mr. Mathews is now in the East and may upon his return withdraw from the market that part which is not sold and plat it in city lots. Make an appointment with us to see Mathews Park. Call in person or by phone.

OREGON EDITORS TO MEET AT BAKER

Annual Convention to Be Held on June 17th and 18th

The annual convention of the Oregon Press Association, one of the oldest editorial organizations on the coast, will be held at Baker City, June 17 and 18, and residents of Baker and Union counties are preparing to give the newspaper men a glimpse of the resources of Eastern Oregon.

At a meeting of the executive committee, held yesterday afternoon at the Imperial Hotel, invitations were accepted to hold the business meeting of the association aboard a special train to be run out of Baker City over the new Sumpter Valley railroad. Leaving Baker City in the morning, the entire day will be spent in the hills which are being opened up by railroad construction.

On Sunday, following the close of the meeting, La Grande business men will furnish automobiles for a trip over the Grande Ronde valley, and in the evening a dinner will be served at the Commercial Club.

During the progress of the convention addresses will be made by William Pollman, mayor of Baker City; George Putnam, editor of the Medford Tribune; John F. Carroll, editor of the Portland Telegram; John Dellinger, editor of the Astorian; Charles H. Fisher of the Eugene Guard, and Editor Ireland, of the Vasco Observer.

Members of the executive committee who attended yesterday's meeting are: Charles Fisher, of the Eugene Guard; George M. Cornwall, of the Timberman, and Bruce Dennis, of the La Grande Observer.—Oregonian.

SWIFTWATER BILL SUED FOR SUPPORT

Seattle, May 22.—"Swiftwater Bill" Gates, whose financial vicissitudes and marital adventures have been the cause for wonder since the early Klondike days, faces trouble again.

Mrs. Lola Bebe, mother of Pera Bebe, has sworn to a complaint charging him with nonsupport of his two children by her daughter. The mother died a year ago after being divorced from Gates.

"Swiftwater Bill" returned to Seattle several days ago and has been living so quietly that his presence was not discovered until the filing of the complaint. Gates has played such spectacular roles in love and mining romances and has wooed and won in such unique ways that his name has become a household word on the Pacific coast.

He was washing dishes in an Alaskan mining camp back in 1896 when Mrs. Bebe first met him. He located the famous El Dorado 13 mine in the Klondike, where he gathered in $200,000. That was the start of his career. Three months ago he was reported in London financing a mining scheme in Nevada.

COMMITTEE WILL INSPECT RIVER

Open River Association Is Proceeding Energetically With Work

In accordance with a resolution passed at the recent meeting of the Willamette Open River and Freight Association at Eugene, President Hewitt has appointed a committee selected from various of the Willamette towns to formulate plans for cooperation among water shippers, and a committee of five to make a trip of inspection on the river from Eugene to Oregon City for the purpose of securing data from which to make recommendations for improvements in the channel and to report to the association. Arrangements will probably be made to charter a small steamer for the trip. The committees appointed are:

On river inspection—W. A. Shewman, Oregon City; E. Hofer, Salem; D. E. Yoran, Eugene; P. A. Young, Albany, and A. J. Johnson, Corvallis.

On shipping—Eugene, I. H. Bingham; Harrisburg, Rex Davis; Corvallis, R. H. Huston; Independence, J. S. Cooper; Salem, H. S. Gile; Gervais, S. E. Nibler; Scio, H. L. Peery; Jefferson, Marion Looney; Dayton, R. L. Harris; McMinnville, O. O. Hodson; Newberg, J. H. Willson; Canby, J. M. Lee; Oregon City, A. A. Price; Brownville, H. E. Hilleary; Cottage Grove, Henry Veatch; Lebanon, A. M. Reeves; Woodburn, to be supplied.

Secretary Shewman has issued the following letter of notification:

"At the meeting of the Willamette Open River and Freight Rate Association held in Eugene May 16, a resolution was passed authorizing President H. H. Hewitt to appoint a committee to devise plans for cooperation so as to be able to employ water transportation, said committee to report at the next session of the association. You will find herewith appended the names of that committee to be present at the next session, which in all probability will be held at the city of Salem at an early date. Every member of this committee should make an extra effort to be present at the coming meeting, and should be able to report some plans for the better co-operation of the shippers as indicated in the resolution.

"The Open River Association is doing its utmost to further the cause of a proper freight regulation, and and in this work it must have the united support of all the Willamette valley.

"Trusting we may meet you at the next meeting of the association, as to date you will be duly notified.

With my best wishes, yours for an open river.

"W. A. SHEWMAN, Secretary."

DEAD EIGHT YEARS, BODY IS CREMATED

Washington May 22.—All that was mortal of Sidney Lascelles, the bogus Lord Beresford, who is said to have been a bigamist so many times over that efforts were made by showmen to obtain his body after he died, was reduced to ashes at the undertaking establishment and crematory of William Lee, 322 Pennsylvania avenue, today. The embalmed body of Lascelles, which was received here yesterday from Asheville, N. C., where it has remained at an undertaker's for the last eight years, was placed in the crematory this morning. Arrangements for the cremation were said to have been made by the first wife of Dascelles, who is a member of a "well known New York family."

HILL HELD UP BY ROSEBURGERS

Is Guest At a Picnic Dinner Spread by the Roadside

Roseburg, Or., May 21.—At the identical spot where in the old California-Oregon staging days numerous holdups were perpetrated, Louis W. Hill and party were waylaid tonight by Roseburg citizens. Mr. Hill had announced his intention not to participate in any more social functions, but the Roseburg people were not to be avoided.

The place of the "holdup" was a narrow gap on the summit of Robert's mountain, eight miles from town, on a high knoll, from which an inspiring view could be obtained. A picnic luncheon was spread on the grass beneath the spreading oak trees and the captives were led to that point. The dinner hour was at hand, all were hungry, and the treat by Roseburg touched the right spot with the travelers.

Mr. Hill will spend the night here, and perhaps tomorrow. Coos Bay residents have been bringing strong pressure to bear to induce the Great Northern president to visit that point. Colonel Hofer, of Salem, met Mr. Hill at Medford as a delegation of one representing Coos Bay, and outlined to him the resources of the country. Binger Hermann was one of the Roseburg committee that met Mr. Hill tonight, and extolled Coos Bay on the road to town. Mr. Hill declares it impossible to extend the journey to that point, but promises to visit Coos Bay later in the year.

The party left Medford at 8 o'clock this morning and made a short side trip in the Grants Pass district at the solicitation of business men at that place.

Woman's Power Over Man

Woman's most glorious endowment is the power to awaken and hold the pure and honest love of a worthy man. When she loses it and still loves on, no one in the wide world can know the heart agony she endures. The woman who suffers from weakness and derangement of her special womanly organism soon loses the power to sway the heart of a man. Her general health suffers and she loses her good looks, her attractiveness, her amiability and her power and prestige as a woman. Dr. R.V. Pierce, of Buffalo, N. Y., the assistance of his staff of able physicians, has prescribed for and cured thousands of women. He has devised a successful remedy for women's ailments. It is known as Dr. Pierce's Favorite Prescription. It is a specific for the weaknesses and disorders peculiar to women. It purifies, invigorates and heals. Medicine dealers sell it. No honest dealer will advise you to accept a substitute in order to make a little larger profit.

IT MAKES WEAK WOMEN STRONG, SICK WOMEN WELL.
