

Tell Some Sick One

It Is Free If It Fails.

Will you do an act of humanity? Will you tell some sick friend of this, my remarkable offer?

Tell him or her, that you have learned of a medicine so certain that its maker dare say to the sick, "It is absolutely and unconditionally free if it fails."

And you, no doubt, already know of Dr. Shoop's Restorative and its popularity.

For 20 years it has been the standard remedy for stomach, kidney and heart ailments everywhere in America.

When the "inside" or controlling nerves of these vital organs begin to fail, it is Dr. Shoop's Restorative that has quickly vitalized, and strengthened, and brought these nerves and organs back to health again.

I do not dose the stomach, nor stimulate the heart or kidneys—for that is all wrong.

Dr. Shoop's Restorative goes direct to the cause of these ailments—the failing, faltering, halting or controlling nerves. And herein lies the keynote to my success.

When these nerves are again made well and strong, then that is the certain end of all such sickness.

Time is a great satisfaction that I am the only physician able to say to the suffering sick, "Take my prescription for full 30 days, and if it fails to help you, the entire expense is mine—not yours."

Then why should the sick take any chance on any other medicine, whose maker dare not back it just as I do by this remarkable offer?

I also have a Rheumatic Remedy—and that remedy is covered by the same identical "No help, no pay" promise plan.

Besides, you are free to consult me just as you would your home physician. My advice and the book below are yours—and without cost.

Perhaps a word or two from me will clear up some serious ailment. I have helped thousands upon thousands by my private prescription or personal advice plan. My best effort is surely worth your single request.

So let me send you an order at once. Take the medicine to some sick friend.

A postal will bring the opportunity. I will have an instant and trustworthy drug list to whom you can conveniently go for the 30 day test.

Just first, ask me for the order, for all drug lists are not authorized to give the 30 day test. So write me now and save all delays. Remember that tomorrow's need comes. Address Dr. Shoop, Box 12, Racine, Wis.

LINN COUNTY PIONEER'S PICNIC AT BROWNSVILLE

Brownsville, June 15.—The annual pioneers' picnic of Linn county begins this year on Wednesday, June 23, and continues for three days. This is one of the great public functions not only of Linn county but of this whole section of the Willamette valley.

It is scarcely necessary to emphasize to those who have attended the gatherings of the past, the congenial social atmosphere, the natural at-

is to have a royal good time. It is to offer recreation and entertainment. The program has been so planned that the most fastidious will find pleasure and enjoyment, and the cynic find nothing to criticize. There will be balloon ascensions with parachute jumps, and baseball games every day. Bands from various places will furnish choice music. There also will be vocal music of various kinds, quartets, trios, solos, etc., rendered by some of the best talent in Linn county; speeches by pioneers and important addresses by prominent speakers. Some of the most noted speakers are Hon. Robert C. Smith, Hon. C. N. McArthur and Hon. M. A. Miller.

the pioneers' picnic. It will be better than ever. You will miss the best thing of the summer if you miss this historical gathering.

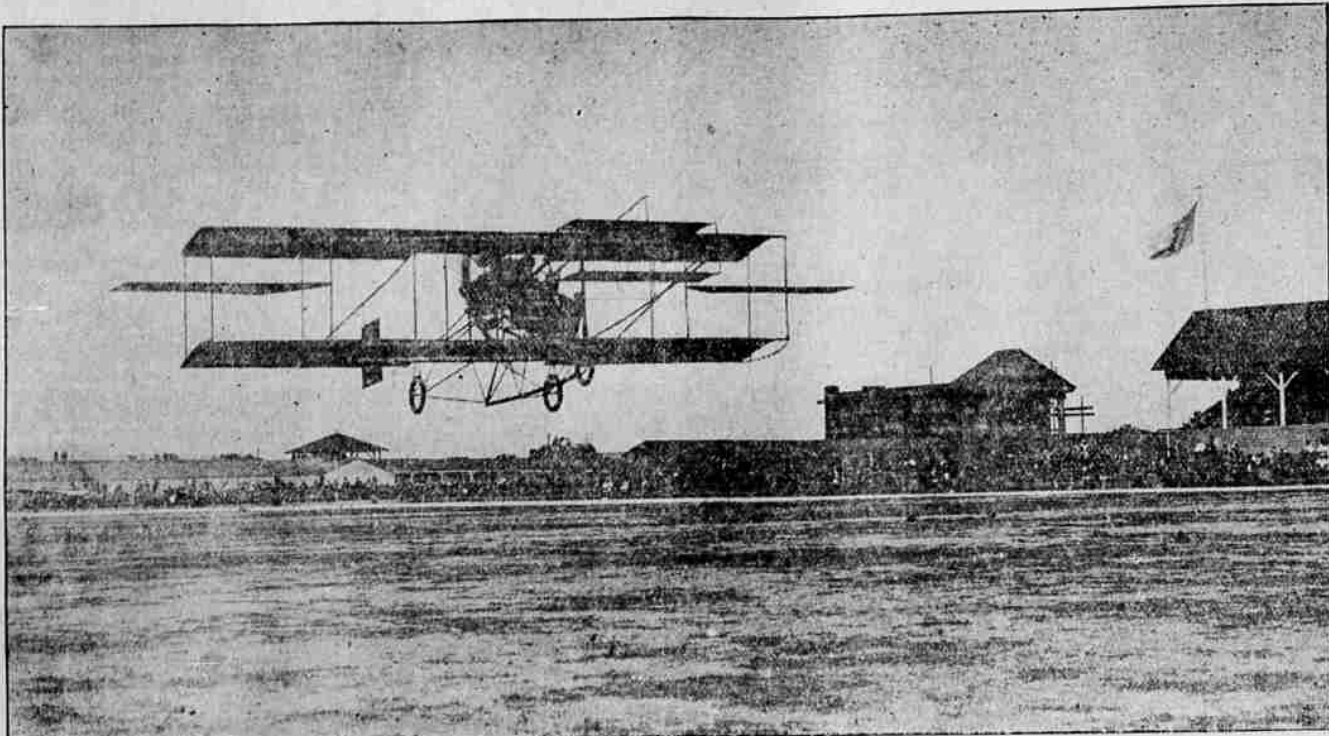

Railroad rates will be in effect from all neighboring points, and special train service will be furnished by the railroad companies for the accommodation of visitors. Dinner may be had on the grounds, while the copious surrounding woods furnish inviting spots for basket dinners. Include this great event in your vacation.

BLACKMAIL IS DEFENSE OUTLINED BY LORIMER

Chicago, June 14.—The expulsion of two spectators from the trial of Lee O'Neill Browne today gave emphasis to State's Attorney Wayman's declaration that he will take no chance of undue influence on the jury.

The men removed from Judge McSurley's court were Ernest Krulwich, a west side politician, and Henry Wagner. The latter owns his embarrassment to his audible expression

tractiveness of the grounds, the literary excellence and entertaining qualities of the programs, also the numerous side attractions which cover the grounds.

As in the past, so this year the picnic is held in Coshov's Park in the pretty little city of Brownsville on the Calapooia river. Here amid historic surroundings and memories, the pioneers love to gather to exchange tales of the long ago and to entertain their posterity with reminiscences of interest and adventure respecting life of half a century ago. Here resides James Blakely, the peer pioneer of 97 summers, and the aged Aunt Eliza, the last of the Calapooia Indians.

The object of the picnic of course

Sporting interest will cluster in the ball park where Brownsville will meet some of the keenest rivals. On the 23rd, Junction City will cross bats with the local team; on the 24th the Albany Alco Club will endeavor to settle the score of last year; on the 25th the game will be of unusual interest, as the Chemawa Indians come with a good record.

Events begin Wednesday at about 10 a. m. when the pioneers will form on Spaulding avenue and march in a body to the picnic grounds. There the program will begin and will be carried through as published. Also every evening up town on Spaulding avenue, from 7 to 8, the bands will render concert programs.

as to the build of the defendant.

Mr. Wayman said that he had not seen Krulwich doing any wrong, but in the trial of "Skinny" Madden, a labor leader, charged with extortion, Krulwich brought suspicion upon himself by shaking hands with Madden in front of the jury.

Blackmail, Says Defense

The defense, on cross-examination, began an attack on the character of White, with the design, it is said, of charging that the present agitation grew out of an unsuccessful blackmail scheme of White's. White's introduction of some of White's letters to Browne, Mr. Forest ran against a snag when the court ruled that before they were accepted as evidence, White must first identify them.
