**Years of Suffering**

**Catarrh and Blood Disease—Doctors Failed to Cure.**

Miss Mabel P. Dawkins, 1214 Lafayette St., Port Wayne, Ind., writes: "For three years I was troubled with catarrh and blood disease. I tried several doctors and a dozen different remedies, but none of them did me any good. A friend told me of Hood's Sarsaparilla. I took two bottles of this medicine and was as well and strong as ever. I feel like a different person and recommend Hood's to any one suffering from catarrh."

Get it today in usual liquid form or chocolate tablets called Sarsotabs.

**Slaughter Sale at the Racket Store**

Having sold a half interest in the Racket Store to I. T. Nicklin, and as the Nicklin stock of dry goods will be consolidated with this stock about July 1st, it will be necessary to make as much room as possible. Time will not permit us to go over the stock and mark down prices, so have concluded to make a general reduction of twenty per cent on the entire stock. Take your pencil and figure what you can save. Make out your list of wants and get them here at a big saving over the already low prices at which the Racket stock was always sold.
