

Not Sisters

Now and again you see two women passing down the street who look like sisters. You are astonished to learn that they are mother and daughter, and you realize that a woman at forty or forty-five ought to be at her finest and fairest. Why is it so?

The general health of woman is so intimately associated with the local health of the essentially feminine organs that there can be no red cheeks and round form where there is female weakness.

Women who have suffered from this trouble have found prompt relief and cure in the use of Dr. Pierce's Favorite Prescription. It gives vigor and vitality to the organs of womanhood. It clears the complexion, brightens the eyes and reddens the cheeks.

No alcohol, or habit-forming drugs is contained in "Favorite Prescription." Any sick woman may consult Dr. Pierce by letter, free. Every letter is held as sacredly confidential, and answered in a plain envelope. Address: World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.

KLAMATH FALLS WANTS BETTER TRAIN SERVICE OVER S. P.

Wants Local Train to Connect With Overland From Portland

Klamath Falls, Or., July 10.—Klamath Falls Chamber of Commerce is going to make an effort to bet a better train service established into the city. At its regular quarterly meeting the secretary was instructed to communicate with the head officials of the Southern Pacific both in Portland and San Francisco and ask that another train be put on the run in and out of here daily.

At present there is only one daily train each day. This leaves in the morning, connecting with the train south, and returns in the afternoon leaving Weed just after the through

train from San Francisco pulls through. Three hours later the through train from Portland comes through Weed, and passengers on this bound for Klamath Falls are compelled to lay over until the next afternoon before starting on the rest of their journey.

The object of the Chamber is to have another train put on the run, if possible, and if this cannot be done, the next best thing then is to have the local schedule changed to connect with the Portland train so passengers and mail from both ways will get here the same day without the Portland incoming people having to remain over night in Weed.

This would bring the local into Klamath Falls at about 8:15 instead of 5:15, as the present schedule operates. While this would not be entirely satisfactory, it is figured that the people of the city better wait a few hours later for their mail from San Francisco and the passengers there had better lay over three hours at Weed than have the Portland mail and passengers remain there over 20 hours.

UNIVERSITY HAS CHAUTAUQUA BOOTHS

Institution Will Be Boosted At Gladstone, Albany, Ashland and LaGrande

The University of Oregon is to have a booth at each of the four chautauques, at Gladstone Park, Albany, Ashland and LaGrande this year. Each booth will be in charge of an Oregon alumnus, and will be devoted to the interests of the University and the people of the state.

In addition to distributing literature and doing the usual line of booster work, Professor James H. Gilbert, who is to have charge of the booth at Ashland, will deliver a course of lectures on economic subjects. Professor Gilbert, after completing his course at Oregon, went to Columbia University, New York, where he received a Ph. D. degree, specializing in money and banking. Since then he has been instructor of economics at the University of Oregon. His work at Ashland will begin next Tuesday. The chautauqua at LaGrande opened last Tuesday. Earl Kilpatrick, '09, a LaGrande boy, this year was principal of the Pleasant Hill High school, and next year will be principal of the High school at Oakland, Or., has charge of the University booth there.

Francis V. Galloway, orator and debater, will have charge of the booth at Gladstone Park. An additional feature there this year is that Professor Irving M. Glen, the head of the University School of Music, and director of the Glee Club, and other musical and dramatic activities at the University, will direct the music for the chautauqua. His lecture recital of Tennyson's "Maud" which is to be given during the first week's program, has attracted much attention throughout the state.

The University representative for the Albany chautauqua has not been selected yet.
