You can't say anything too good of a medicine like that." Its the surest and best remedy for diseased lungs, Hemorrhages, LaGrippe, Asthma, Hay Fever—and Throat or Lung Trouble 50c, $1.00. Only a Mask.

Many are not being benefited by the summer vacation as they should be. Now, notwithstanding much outdoor life, they are little if any stronger than they were. The tan on their faces is darker and makes them look healthier, but it is only a mask. They are still nervous, easily tired, upset by trifles, and they do not eat nor sleep well. What they need is what tones the enrves, perfects digestion, creates appetite, and makes sleep refreshing, and that is Hood's Sarsaparilla. Pupils and teachers generally will find the chief purpose of the vacation best subserved by this great medicine, which, as we know, "builds up the whole system."

HALL'S TEXAS WONDER.

I have sold Hall's Texas Wonder for kidney, bladder and rheumatic trouble for the last five years, and have guaranteed it in many cases, but have never had a complaint. 60 days' treatment in each bottle.
