SPORTING NEWS

McCREDIE GETS BENNY HENDERSON
San Francisco, Sept. 13.—Benny Henderson, the former State leaguer, will join Portland within a day or two and expects to take his turn in the pitcher's box next week. Henderson received word from the National commission last night that he would be permitted to finish out the season in the Coast league and he immediately got in communication with McCredie, and the Beaver chief jumped at the chance to get the crack left-hander. Before Henderson will be allowed to play he has to sign an agreement with the National commission to the effect that he will return to Cleveland next season.

LOWELL NEWS.
Special Correspondence.
Lowell, Sept. 12.—The new railroad will soon be done. Then the people in and near Lowell will have a way to get out if the roads are muddy. Won't that be fine?
The Lowell hotel has changed hands and name also. It is now Lowell Boarding house, meals 25 cents, beds, 25 and 50 cents. Johnnie Holman, proprietor.
Lowell is growing fast. It now has five places of business, one general store, one hotel, one restaurant, one livery barn, one blacksmith shop, and a soft drink stand, and more expected in the near future.
Henry Mathews is up the river picking up the horses and mules bought from Ware and Hamilton. He says the people who bought from the horse thieves will not lose a great deal, as they were caught quick. Andrew Miller is a partner with Mathews on the trip up the river.
The large red barn of Lowell, belonging to W. H. Hyland, is being moved by J. W. Harringer of Eugene.
P. E. Snodgrass, cashier of the First National bank of Eugene, and F. L. Chambers of the Chambers Hardware Co., were guests at the Lowell Hotel Saturday night.
The forest fires are still raging on the Willamette.
Sorry to hear of Dave Mathews losing his big saw mill by fire.

ALL WRONG

The Mistake is Made by Many Eugene Citizens.
Don't mistake the cause of backache.
To be cured you must know the cause.
It is wrong to imagine relief is cure.
Backache is kidney ache.
You must cure the kidneys.
A Eugene resident tells you how.
L. Bonney, 459 Olive street, Eugene, Oregon, says: "The public statement I gave in 1906, recommending Doan's Kidney Pills still holds good. I know this remedy to be a positive cure for kidney disorders and I am glad to recommend it. Kidney complaint clung to me for ten years, being caused by a fall and heavy lifting. I consulted one physician after another and experimented with remedies of all kinds, but my efforts for relief were unavailing. The doctors finally said that had I had a kidney stone, I should have no hope for my recovery. If I attempted to lift anything, my back gave out and the pain was something terrible. One day I saw Doan's Kidney Pills advertised and decided to try them. I procured a supply. They gave me so much relief that I continued their use and it was not long before I was feeling like a different man. Doan's Kidney Pills simply worked wonders in my case and I shall do all in my power to make their merits known."
