SOUTHERN PACIFIC

SURVEYORS ARE NOW CAMPED AT ELMIRA

Special to The Daily Guard. Junction City, Oct. 1.—The Southern Pacific surveyors under C. P. Goertl, who have been surveying west of Junction City, have moved their camp to Elmira and are now running a line west from there. They have left their supplies at their old camp on the high pass road and evidently will return there as soon as they are through west from Elmira. They made a very careful survey from Junction City to Triana Lake.

EX-MAYOR ROSE COMING.

Ex-Mayor David S. Rose of Milwaukee, Wisconsin, an orator of great renown, and one whose services are in demand from coast to coast, will speak in this city at the opera house Saturday evening, October 8, taking as his topic, "The Fallacies of Prohibition." Mr. Rose presents an argument that every prohibitionist and church member should hear. He is thoroughly conversant with all phases of the liquor problem; a speaker who is clear in his reasoning and one who will at all times make a favorable and indelible impression upon his audience. Mr. Rose will dwell upon the advantages in the passage of the Initiative Bill No. 328, which gives to every city and town the exclusive power to license, regulate, control, or to suppress or prohibit, the sale of intoxicating liquors within a municipality, and which also embodies the present local option law.

NEWS OF JUNCTION

AND NORTH LANE

Leon Parke and Charlie and John Tower left Sunday evening for Cow Creek Canyon on a hunting expedition.

Miss Maple Hill left Saturday for Eugene to again take up her studies in the University. Miss Maple is now a senior.

Mrs. M. E. Sutherland returned to Portland Wednesday after spending the week at the home of A. S. Cheshire. On Friday she leaves for New York and Boston to spend the winter with relatives and friends.

J. C. Larsen left Tuesday for Fresno, Cal., to attend the annual session of the Dane Brotherhood, a beneficiary organization. He will be absent about two weeks.

Mrs. J. C. Luckey has sold her residence property to Mrs. Isaac Stone, who arrived here last week from Grenada, Minn., consideration \$1,000. Rust & Markusen made the sale.

C. F. Harburt returned from Medford Tuesday. He disposed of his stock of goods in that city and will now devote his entire time and attention to the management of his big store in this place.

R. T. A. Robinson, of the River-view neighborhood, who sold his farm last August, will leave next week for Palouse, Wash., where he has purchased a quarter of land adjoining the farm of Byron Spencer. The land is just over the line in Idaho.

Some time ago the Eugene papers mentioned a Gloria Mundi apple that weighed 26 ounces. J. C. Burns displayed one here Saturday of that variety, taken from his young orchard, that weighed exactly 26½ ounces.

The surveyors west of here are now running the third line across the range. They commenced at Lee Cheshire's place, following the Lang Tom, passing by Dave McBee's and on towards Elmira.

G. E. Mickey, brother of Professor Mickey, has concluded to locate here and has rented the Strome property recently vacated by R. V. Howard. He has not engaged in any business yet but expects to before long. His father, who resides in Kansas, expects to come here and spend the winter.

Frank Moorehead has sold two half lots to J. M. Howard for a consideration of \$300. These half lots join Mr. Howard's premises on the north. They are improved with a six-foot cement sidewalk on the east side and curbing at each end. Mr. Howard's home place now embraces six lots.—Times.

In any calling life, demands a vigorous body, and a keen brain. Without health there is no success. But Electric Bitters is the greatest Health Builder the world has ever known. It compels perfect action of stomach, liver, kidneys, bowels, purifies and enriches the blood, tones and invigorates the whole system and enables you to stand the wear and tear of your daily work. "After months of suffering from kidney trouble," writes W. M. Sherman, of Cushing, Me., "three bottles of Electric Bitters made me feel like a new man." 50c at W. A. Kaykendall.

GEO. C. BROWNELL AGAINST BOWERMAN, ASSEMBLY NOMINEE

Oregon City, Or., Sept. 30.—Geo. C. Brownell, for twelve years state senator from Clackamas county, and who was three times honored with election to that office by the republican party, will refuse to support Jay Bowerman for governor, and will bolt all republican nominees wholly.

were endorsed by the assembly, save those who were presented with the endorsement without solicitation. Mr. Brownell takes the ground that he fought the assembly through the primary campaign and that if it was wrong then it is wrong now, and that the only way to kill it is to defeat the assembly republican nominees. It is probable, therefore, that he will come out openly and make a fight against Mr. Bowerman and the other republican nominees who were in any way identified with the assembly.

ONE DOSE USUALLY CURES INDIGESTION OR A BAD STOMACH

Every family here ought to keep some Diapensin in the house, as any one of you may have an attack of indigestion or stomach trouble at any time, day or night.

This harmless preparation will digest anything you eat and overcome a distressed, out-of-order stomach in five minutes afterwards.

If your meals don't tempt you, or what little you do eat seems to fill you, or lays like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Ask your pharmacist for a 50-cent case of Diapensin, and take a little just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, nausea, debilitating headaches, dizziness or intestinal griping. This will all go, and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pain's Diapensin is a certain cure for out-of-order stomachs, because it prevents fermentation and takes hold of your food and digests it just the same as if your stomach wasn't there. Relief in five minutes from all stomach misery at any drug store, waiting for you.

These large 50-cent cases contain more than sufficient to cure almost any chronic case of Dyspepsia, Indigestion or any other stomach trouble.

Cold Weather Advice.

To all is to beware of coughs and colds on the chest; as neglected they readily lead to pneumonia, consumption or other pulmonary troubles. Just as soon as the cough appears treat it with Ballard's Horehound Syrup the standard cure of America. Use as directed—perfectly harmless. A cure and preventative for all diseases of the lungs. Price 25c, 50c, and \$1.00 per bottle. Dillon Drug Co.
