POOR, TIRED FATHER

Father came home sour and surly from his labors in the mart, came home from the hurly-burly with some wormwood in his heart; for the luck had been against him in the war of bonds and stocks, and the other brokers fenced him up and pelted him with rocks.

SOUTHERN PACIFIC'S FAKE PLEA

The Oregon State Railroad Commission, of which Oswald West, Democratic and direct primary candidate for governor, is chairman, made an order recently reducing railroad rates in Western Oregon. These rates were shown by investigation to be too high in most instances, and unequal in a great many respects.

Now comes the Southern Pacific Co., of which Jay Bowerman, assembly candidate for governor, is one of the principal attorneys, with an appeal to the federal court, securing from Judge Wolverson a temporary restraining order against putting the reduced rates into effect until the case may be heard in court.

Talk about nerve! Nobody but a corporation attorney would think of making a plea so palpably false and absurd!

Whoever heard of the Southern Pacific Co. ever spending a dollar on behalf of Oregon except to keep it bottled up and retard its development. That was the statement made by United States Attorney Severance in open court at St. Paul two days ago during the trial of the suit to dissolve the Harriman merger, and it cannot be truthfully contradicted.

The Southern Pacific Co. is unable to handle properly either its freight or passenger business, and it persistently refuses to increase its train service and equipment to the extent that its patronage justifies. Its attorneys talk about developing the state, and yet the people of Lane county now have an object lesson of its obstruction policy in the attempt being made to block the efforts of the Asset Company to build a railroad from Eugene to the coast.

The people of the state are at last fully aroused on this question of railroad monopoly. It is one of the reasons why they desired to name their own candidate for governor in the direct primary, in preference to having the Southern Pacific Co. select one of its attorneys for this most important executive office in a so-called party assembly.

The independence of the newspapers of Oregon from the dictation of party bosses is well illustrated by the following statement in the Daily Gazette-Times, of Corvallis:

The Gazette-Times is against Bowerman for governor; for W. C. Hawley for congressman; for Victor Moses for judge of Benton county; for George Smith for commissioner, and for the remainder of the Republican primary ticket.

One of the reasons that so many towns never seem to prosper is because most of their citizens purchase their goods out of town. If you want to see Eugene grow you must patronize home merchants, as they keep up-to-date in every respect.

What has President Taft done to Willie Hearst that the latter gentleman should seek his defeat for re-election by supporting him through the columns of his yellow journals.

A Frenchman has invented a device to allow sailors to escape from a disabled submarine boat. Now why can't some one invent a self-cocking parachute for aeroplanists?

Funny, isn't it, that a contributing editor at \$1 per word can find so much time for other business.

REGISTRATION BOOKS

CLOSE ON OCTOBER 17 INSTEAD OF OCTOBER 16

County Clerk Lee has decided that the registration books will not close until 5 o'clock Monday evening, October 17, inasmuch as the 16th, the date set by law, comes on Sunday. He has authority for this action from the attorney-general. On Saturday evening the office will be open from 7 to 8:30 p. m. to enable working men and others, who cannot reach the office in the daytime, to register.

BANQUET IN HONOR OF MAJOR HAMMOND

A big banquet in honor of Major Crest C. Hammond will be given on next Monday evening in the Armory by members of Companies A and C. The members of the militia wish to do all they can to show their support to their popular officer who is running for the office of county clerk on the democratic ticket. The banquet will be held to show him their good will. Speaking of the event, one of the non-commissioned officers today said: "The boys all feel a keen appreciation of the major's efforts in placing the local companies in the good standing which they now have in military circles. The recognized rank of merit which the boys now enjoy is due to the untiring efforts and earnest zeal of their worthy major. A man of less ability could not hope to enjoy such universal good will so noticeable among 'the boys'."

DIED

At his residence on South Willamette street, Eugene, October 12, 1910, at 4 p. m., Sebastian Miller, aged 66 years, 4 months and 21 days. He was born in Brown county, Ohio, on May 22, 1844. He enlisted in the Union army on the 19th day of September, 1861, and was wounded at Fort Donelson, Tenn., and discharged at Corinth, Miss., September 9, 1862, by reason of a surgeon's certificate of disability. He was married on April 13, 1889, at Dayton, Wash., and his widow and several children survive him. The children are: Mrs. E. R. Knight of California, and Ray, Edith, Barney and Jennie Miller, at home. He also leaves four brothers and three sisters. The funeral services will be conducted by Rev. H. S. Wilkinson, at Gordon's chapel, on Saturday, October 15, at 2:30 p. m., with interment in the I. O. O. F. cemetery, conducted by the J. W. Geary Post, G. A. R., of which the deceased was a member.

CROSS-SECTION WORK

IS NEARLY FINISHED

(Continued from page 1).

found a good route out of the city from Fifth street by running directly east from the end of that thoroughfare and crossing the river back of the factory district. However, all of those things will be settled in due time.

Controls the Pass. The Asset company controls the Christener pass across the low hills six miles west of the city, and no other railroad will be able to cross them at that point. If any other company desires to build to the Siuslaw it will have to go several miles north. The company has bought 35 acres from Mr. Christener, for whom the pass is named, the last payment on the land having just been made. That point is a good place for a townsite, and the company may in the future plat the tract and establish a small town.

BORN

At the Eugene hospital in Eugene, October 12, 1910, to R. F. Mosely and wife, a daughter.

ATTENTION G. A. R.

You are requested to attend the funeral of Conrad Miller at the Gordon chapel Saturday afternoon at 2:30 o'clock, without fail.
