

Let Me Tell You Something

A woman who is sick and suffering, and won't at least try a medicine which has the record of Lydia E. Pinkham's Vegetable Compound, is to blame for her own wretched condition.

There are literally hundreds of thousands of women in the United States who have been benefited by this famous old remedy, which was produced from roots and herbs over thirty years ago by a woman to relieve woman's suffering. Read what these women say:

Camden, N. J.—"It is with pleasure that I send my testimonial for Lydia E. Pinkham's Vegetable Compound, hoping it may induce other suffering women to avail themselves of the benefit of this valuable remedy."

"I suffered from pains in my back and side, sick headaches, no appetite, was tired and nervous all the time, and so weak I could hardly stand. Lydia E. Pinkham's Vegetable Compound made me a well woman—and this valuable medicine shall always have my praise."—Mrs. W. P. Valentine, 902 Lincoln Ave., Camden, N. J.

Buffalo, N. Y.—"I am writing to tell you that I am pleased with your medicines. I had been sick for a long time with prostrations. I heard about Lydia E. Pinkham's Vegetable Compound, and I have found that it is the right kind of medicine for me. I felt relieved after taking one bottle and I kept on taking it till now I am well and strong, and am able to do my work."—Mrs. Henry Kossow, 472 Genesee St., Buffalo, N. Y.

Since we guarantee that all testimonials which we publish are genuine, it is not fair to suppose that Lydia E. Pinkham's Vegetable Compound had the virtue to help these women if it will help any other woman who is suffering from the same trouble?

For 30 years, Dr. J. C. Allen's Vegetable Compound has been the standard remedy for female ailments. It does not harm the system, but builds it up. It is a safe, reliable, and effective medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

If the slightest trouble appears which you do not understand, write to Mrs. Pinkham at Lynn, Mass., for her advice—it is free and always helpful.

TOTAL CROP VALUE ESTIMATED BY OFFICIAL

Nine Billion Dollars Is Nation's Income From Products

Washington, Oct. 18.—Crop reports received this month from every section of the country indicate that the total value of all crops and agricultural products for the year of 1910 will reach the astounding and unprecedented figure of \$9,000,000,000. This is nearly a billion dollars more than last year, and proves that for the farm population, at least, prosperity is not on the way, but is here.

Hay, corn, potatoes, tobacco and cranberries, the principal New England crops, have all turned out fair to good. Eastern and Central states all send in good reports. Wheat crops are fair and the corn crop is a bumper one in most sections. Drought has hurt some sections, but not seriously, except in a few places. Indiana has the biggest corn crop in its history. Dry weather has injured the crops in parts of Illinois and Wisconsin, but the yield will not fall far below the average. The apple crop in the Central West is poor. Iowa reports bumper oats and corn yields. North Dakota and parts of South Dakota have suffered greatly and the North Dakota yield will be about half of normal. Minnesota crops have been good, except hay. Nebraska has a big corn crop, but wheat is rather light. Missouri and Kansas are both prosperous. Oklahoma is short on corn, but long on wheat. Sugar beets and fruits have made Colorado growers happy and contented. The Pacific Northwest has a bumper apple yield, but the wheat crop is light in some states. California oranges and some other fruits show a considerable drop in yield, but high prices will make up for the shortage. Kentucky and Tennessee, with other Southern corn-growing states, report excellent crops. Georgia crops are fair. The cotton crop in many sections of the South depends to a great extent on a late frost.

Harmless Fat Remover

For years the knowledge and conviction that there is a safe, sure, harmless remedy for obesity has been spreading until now the whole world knows that in the famous Marmola Prescription is found a sure road to symmetry—a great specific for over-fatness which leaves the body symmetrical, the skin smooth and clear, and the bodily health perfect. This almost miraculous change is accomplished without dieting, exercise or denial of any kind, at the rate of 10 ounces or more a day. Convenience in taking this great remedy is facilitated by taking Marmola Prescription in tablet form. Visit your druggist today, or send 75 cents to the Marmola Co., 663 Monroe avenue, Detroit, Mich., for a quantity of these tablets sufficient to start you on your way to your coveted goal—slimness.

BLOOD DISEASES CONTAGIOUS TROUBLES

Contagious Blood Poison more thoroughly permeates the system than any other disease. Its infectious virus contaminates every corpuscle and tissue of the circulation, and for this reason its symptoms are of a varied nature. When it enters the blood it is but a short time until the mouth and throat begin to ulcerate, the skin becomes spotted, rashes and eruptions appear on the body, sores and ulcers break out, the hair falls, and frequently nails on hands and feet thicken and come off. Mineral medicines which simply shut the poison up in the system should be avoided, for when such treatment is left off the old disease will break out again, often worse than before. S. S. S. cures Contagious Blood Poison permanently, and it does so because it thoroughly purifies the blood. S. S. S. goes into the circulation, and drives out the last trace of the destructive germs, adds richness and vigor to the circulation and allows it to nourish the diseased portions of the body back to health. S. S. S. is purely vegetable, being made entirely of roots, herbs and barks, without a particle of mineral, and its vegetable ingredients always hasten the cure by toning up the stomach and digestive members. Home Treatment book and any medical advice free to all who write.

IRVING ITEMS

Irving, Or., Oct. 19.—Mr. and Mrs. N. A. Fox, of Bridgeport, Wash., visited Mrs. Fox's parents, Grandpa and Grandma Koeppe, and other relatives in Irving.

Mr. and Mrs. Ed Adams spent a few days in Eugene last week. George Midgley, of Eugene, came down Sunday to look after business connected with his ranch adjoining Irving.

School opened last week with Miss Jennie Schrode as teacher; quite a good attendance, and more expected later.

There has been one car load of big red apples shipped to Chicago from here, and other cars ordered to load. It is as it should be. This valley should furnish much fruit for the East and Middle West. We have the proper soil and climate. Let the orchardists do the rest.

One of Irving's needs at present is a justice of the peace, not particularly on account of lack of peace, but to execute papers, etc., which would be a great convenience to the general public.

Miss Emma Slocum arrived from Ogden, Utah, last Friday. The new pastor for the M. E. church, Rev. W. B. Paul, conducted services at the church last Sunday.

Kills a Murderer.

A merciless murderer is appendicitis, with many victims. But Dr. King's New Life Pills kill it by prevention. They gently stimulate the stomach, liver and bowels, preventing that clogging that invites appendicitis, curing constipation, headache, biliousness, chills. 25c at W. A. Kuykendall's.

After Spending Thousands of Dollars and Consulting the Most Eminent Physicians, He Was Desperate.

CHICAGO, ILLS.—Mr. J. G. Becker, of 134 Van Buren St., a well-known wholesale dry goods dealer, states as follows:

"I have had catarrh for more than thirty years. Have tried everything on earth and spent thousands of dollars for other medicines and with physicians, without getting any lasting relief, and can say to you that I have found Peruna the only remedy that has cured me permanently."

"Peruna has also cured my wife of catarrh. She always keeps it in the house for an attack of cold, which it invariably cures in a very short time."
