Brookfield, Mo.—"Two years ago I was unable to do any kind of work and only weighed 115 pounds. My trouble dates back to the time that women may expect to bring on them the Change of Life. ## OREGON POTATO CROP NEEDS FROST

Further Improvement in Size or Quality of Crop Is Impossible

The season is too far gone now for any improvement in either the size or quality of the Oregon potato crop. What is needed now is frost sufficient to kill the vines and mature the tubers that are in the ground, so that they may be taken out before the winter rains make digging impossible. Ordinarily frost sufficient to mature the late potato crop comes before this time.

Further growth is not at all desirable and could only injure the quality of the output. There is always the possibility of a freshened growth after a protracted dry season, making an ill shaped and poor keeping product, and that in all probability will be one of the troubles to contend with in the marketing of this year's crop. An extremely dry summer followed by a wet fall are not ideal conditions for the maturing of a perfect potato crop. Careful sorting will unquestionably be as necessary as ever this year.

fore anything wrong is noticed with the kidneys themselves.

Some of the symptoms, though, cannot be mistaken; for instance, a constant aching or misery in the back, sides and loins, or headaches and dizzy spells, nervousness, twitchings, disturbed sleep, inflamed or puffy eyelids, heart palpitations, rheumatic pains, weakness, bilious stomach, or a feeling of languor or fatigue. Sick, unhealthy kidneys also cause thick, cloudy, offensive urine, or it is full of sediment, irregular of passage, and often uncontrollable or attended by a sensation of scalding.

The time to cure kidney trouble is before it settles into diabetes, dropsy, gravel or Bright's disease. The moment you suspect the slightest kidney, bladder or urinary disorder, begin taking Pape's Diuretic as directed with the knowledge that there is no other medicine, at any price, made anywhere else in the world, which will effect so prompt a cure. In just a few days you feel and know that the kidneys, bladder and urinary organs are healthy, clean and normal and all danger passed.

Your physician, pharmacist, banker or any mercantile agency will vouch for the responsibility of Pape, Thompson & Pape, of Cincinnati, O., who prepare Pape's Diuretic—50-cent treatment—sold by every druggist in the world.

After Shaving use Dr. Bell's Antiseptic Salve. I will prevent the face setting sore. I destroy germs and prevent contracting any disease. 25c. Sold everywhere, and by the Dillon Drug Co. in Eugene.

### CATARH SUFFERERS

Good Thing to Know  
If you now own a Hyomei hard rubber inhaler, the Red Cross Drug Co. wants you to know that they will sell you a bottle of HYOMEI for only 50 cents.

Remember this, all who suffer with catarrh—a bottle of HYOMEI (pronounce it High-o-me) is put up in a separate package and sold for 50 cents, to accommodate the vast army of people who already own a Hyomei inhaler.

The Red Cross Drug Co. will sell it to you at that price and give you the opportunity to begin at once to rid yourself of catarrh and snuffling, hawking and spitting that go with it.

lect have let catarrh get a strong hold upon them. Some of these people unreasonably think that one bottle of HYOMEI ought to cure them.

No matter how chronic your catarrhal troubles, HYOMEI is guaranteed by the Red Cross Drug Co. to cure them if you give it half a chance. Just breathe it, that's all, and its healing, soothing, antiseptic properties will make you feel better in a day.

If you own an inhaler, get a 50-cent bottle of HYOMEI today. If you do not own an inhaler, ask for a \$1.00 outfit, which includes inhaler.

What few sideboards and buffets we have, have been marked down; they are too fine goods for a town the size of Eugene, as there are not

enough rich people to afford such fine furniture. But in order to sell this piano finish, handsome, select, quartered, fine figured furniture, we have made the price so very low that we thought maybe we could induce some one to buy it. If we fail, it will have to be sold to some wholesale house in Portland where the wealthy may have a chance at it. It will be here only a few days longer; come and see it. Remember, there is a store full of goods at this bond sale that must be sold quickly, and the prices are appalling to even Mr. Kays. It gives him the nightmare to have to sell so cheap.
