ANOTHER TWO-STORY BRICK BLOCK ON MAIN

Springfield, Dec. 21.—Five thousand dollars is the price paid yesterday for 40 feet of the best located property on Main street between Third and Fourth when Perkins and Machen, wholesale butchers of Springfield, purchased the property from Stanable of Eugene. The price paid, however, is only the value placed upon other property that was traded by the butchers.

Rumor has it that the purchasers intend to erect a two-story brick block on the lot after the two buildings that are now occupied by a bakery and harness shop which will be moved away. It is also said that the new building is to be erected jointly with the structure that Perkins and Stevens are to build. These facts, however, are not confined by the purchasers.

SPIRITUALIST, ASTROLOGY, AND PALMISTRY, No. 756 W. 6th St. Last house on right hand side of street. d31

THIRTEENTH ST. MARKET
Fresh and cured meats; home rendered lard. Try our picnic sausages. Phone Main 883

Plenty of white tissue paper at the Racket Store, and only one-half cent for a double sheet. tf

HIGH SCHOOL DEBATING TEAM IS SELECTED

Springfield, Dec. 21.—The Springfield High school debating team has been selected and consists of Boss Hutchinson, Rhea Rhodes, and Myrtle Copenhaver, all girls. The first debate will occur with Cottage Grove in the latter part of January on the question of whether or not labor unions are beneficial to the laborer. The school supports the negative. During the past two days they have been taking advantage of an extra vacation and have spent the time in the library at the University of Oregon in Eugene, preparing for the debate. The team is about the same as last year and should be successful.

WATER COLOR PICTURES FREE

NEW CITY COUNCIL MEETS FIRST TIME

Springfield, Dec. 21.—The city council met Monday night at its first session under the new regime. At this meeting the two new members took their places. These were Welby Stevens and Mr. Mathews. At this same meeting E. E. Morrison and John Mullin were inducted into the offices of the city treasurer and recorder respectively. No other business was taken up at this meeting and after discussing municipal affairs the body adjourned.

PIONEER TEACHER IN EUGENE SPEAKS WELL OF OUR PUBLIC SCHOOLS

Jasper N. Miller Says the Most Modern Methods Are Used by Eugene Teachers

Jasper N. Miller, who resides on a homestead near Butte Falls, Jackson county, has been visiting at the home of his daughter, Mrs. Sebastian Miller, on South Willamette street for the past few weeks, returning home last night. He is the oldest school teacher in Jackson county and one of the oldest in the state, having been engaged at that work since the pioneer days. While in Eugene, Mr. Miller spent a great deal of his time at the University of Oregon and the Eugene public schools, and wishes to thank the members of the faculty of the University, Principal Hug, of the High school and many other teachers in the public schools for courtesies shown him. He was very favorably impressed with the manner in which the local schools are conducted and which employ more modern methods than in use here.

Mr. Miller was in Eugene 43 years ago and this is his first visit here since. Naturally he does not recognize the village of years ago. He thinks the city has a splendid future before it. He is holding down a homestead in Jackson County, but expects to resume teaching in a short time.

Minnie, accompanied by their friends, Mr. and Mrs. George Anderson, of St. Paul, Nebraska, returned to Creswell today.

Stewart Fuller has gone to Portland to meet Mrs. Fuller, and they will arrive here in a day or so to spend the winter. Their home is at Wallace, Idaho.

Mrs. Erma Liston, who has been living in Eugene for the past summer, being employed at Ax Billy's, left today for Garden City, Kas., where she will live.

Stewart McKay has been a guest of his old friend, L. K. Pace, of Springfield, for a few days. He is a wealthy capitalist of California, and is much pleased with Springfield and Eugene.

Professor Frink, of the University, left this morning for San Francisco, where he and his family will attend a family reunion. While in California he will visit his daughter, who is attending Mills College this year.

Fire and Water Sale Ostermoor Mattresses

Our shipment of OSTERMOOR Mattresses received December 12th was slightly damaged by water on board steamer between San Francisco and Portland. Most of these mattresses were damaged very little.

Our Claim for Damages Was Allowed and we can make the following prices:

- \$25.00 French Ostermoor for \$14.50
- \$18.00 French Ostermoor for \$12.75
- \$16.50 French Ostermoor for \$11.50
- \$15.00 French Ostermoor for \$ 9.25

THESE PRICES ARE CASH

Water Does Not Spoil An Ostermoor

The following extract from a paper by an officer of the U. S. navy, who was testing an OSTERMOOR Mattress under water, said: "After twenty-four hours floating, the ticking having become saturated, the inside was examined and found to be totally untouched by water. Heavy weights were then used to sink it, and it remained under water forty-eight hours. Upon examination, it was found that the moisture had penetrated between the sheets of cotton, the sheets themselves being entirely free from dampness. THE MATTRESS WAS THEN DRIED, WHEN THE USUAL SOFTNESS AND SPONGINESS WAS OBSERVED TO RETURN TO THE MATERIAL."

These Mattresses are in such good condition that they will not last long at these prices.
