CRESWELL BEATS PLEASANT HILL

At the Woodman hall Saturday night the Creswell high school basketball team defeated a team from Pleasant Hill by a score of 33 to 9. It was a hard-fought exciting game, regardless of the uneven score, and the large crowd present enjoyed the game from start to finish. In size the teams were evenly matched, but the local team outclassed their opponents in team work. This was the first game of the season for the Creswell team and they are very much elated over their victory—Chronicle.

DOCTORS FAILED. RESTORED BY PERUNA.

Catarrh of the Lungs Threatened Her Life.

Miss Ninette Porter, Braintree, Vermont, writes: "I have been cured by Peruna. "I had several hemorrhages of the lungs. The doctors did not help me much and would never have cured me. "I saw a testimonial in a Peruna Almanac of a case similar to mine, and I commenced using it. "I was not able to wait on myself when I began using it. I gained very slowly at first, but I could see that it was helping me. "After I had taken it a while I commenced to raise up a stringy, sticky substance from my lungs. This grew less and less in quantity as I continued the treatment. "I grew more fleshy than I had been for a long time, and now I call myself well." your druggist for a free Peruna Almanac for 1911

MOHAWK FARMER JOINS WITH OTHERS AGAINST PHONE RATES

Donna, Or., Jan. 12.—Will you kindly publish the following, in response to the call of W. B. Smith, of Elmira? The members of the Mohawk grange at this place, at their regular meeting on January 7, took up the matter of raising telephone rates for switchboard privileges, and after a long and thorough discussion, by an almost unanimous vote, decided that the \$5.00 rate now charged, is more than farmers ought to pay, and that they were strongly in favor of a combination of farmer's lines for the purpose of united action of some kind, to protect the telephone user. We look with alarm at the constant rise in the charges for switch privileges, and it is safe, judging from the expressions, freely given here, that the farmers on the Mohawk valley are ready to do most anything that offers a chance of escape from the excessive charge of these bureaucrats. Let every grange in the county get into the fight and stay until we get a rate that is just. I am informed that several Mohawk farmers have refused to pay \$5.00 and the general opinion is that \$3.00 per year would be considered about right. There is something certain—we will get no relief unless we do something for ourselves. Unless we do, we will find those rates still climbing up, as long as we are willing to pay them, they will be willing to raise the price. Now is the time to say no. So to Line 36, I say that I, for one, am with you. I too, refuse to pay \$5.00, and if you have any plan for united action, let's have it. I feel sure you will get help from Mohawk if the talk means anything, and I think it does. A. N. LAPHAM.

HOW TO STOP DRINKING.

Give Orrine and Destroy all Desire For Whiskey and Beer—Can Be Given Secretly—Try It at Our Expense. We are in earnest when we ask you to try ORRINE at our expense. We will give your money back if after a trial you fail to get results from ORRINE. This is a very generous offer. It gives the wives and mothers of those who drink to excess an opportunity to try the ORRINE treatment. It also shows our confidence in the merits of Orrine. ORRINE is recognized at the best and most successful remedy the world has ever known for drunkenness or the so-called "honorable" habit. It is a very simple treatment, can be given in the home without publicity or loss of time from business, and at a small price. Read the following letter from Dr. Nolte, 5th and Race streets, Philadelphia. It will tell you about some of the wonderful results from the ORRINE treatment: "I have had a remarkable case of injuries under my personal observation. The patient drank heavily for fifteen years and reached a degraded condition, while causing the breaking up of his family and separation from his wife. Every line was given up of ever saving the man from his strong desire for drink and only a mother's interest finally persuaded him to voluntarily take treatment for his diseased condition. It was my pleasure to recommend ORRINE your liquor habit cure, and the treatment was taken faithfully. This was two years ago and the patient is now with a healthy condition, and still abstains from the use of stimulants. I have sold ORRINE for a number of years, and have always found it to be satisfactory. I believe you have an exceptionally good treatment for this disease." ORRINE is prepared in two forms No. 1, secret treatment, a powder, absolutely tasteless and odorless, absorbed directly in food or drinks. ORRINE NO. 2, in pill form, is for those who desire to take voluntary treatment. ORRINE costs only \$1.00 a box. Write for free trial.

RINE booklet, (mailed in plain sealed envelope) to ORRINE CO., 474 Orrine Building, Washington, D. C. ORRINE is recommended and is for sale in this city by Lion Drug Co.

You Can Be a Better Cook

It isn't all in the "knack." The utensils you use go a long way toward making your food fine and appetizing or ill-cooked and indigestible.

It's impossible to make the best cookery in utensils that quickly scorch or crack and scale off, rust and corrode. And such utensils are dangerous. Authorities say that cancer comes of eating particles of glass chipped off from ordinary enamel ware when hot.

The heat expands the iron frame but the coating of glass—which is all enamel ware is—does not expand so fast, consequently it breaks and gets mixed with the food.

There is no such danger from food cooked in up-to-date

"1892" Pure Spun Aluminum Ware
