

Patriotism

The stomach is a larger factor in "life, liberty and the pursuit of happiness" than most people are aware. Patriotism cannot stand hunger but not disease. The confirmed dyspeptic is fit for treason, stratagems and spoils. The man who feeds the front for his country with a weak stomach will be a weak soldier and a feeble leader.

A sound stomach makes for good citizenship as well as for health and happiness. Diseases of the stomach and other organs of digestion and nutrition are promptly and permanently cured by the use of

DR. PIERCE'S GOLDEN MEDICAL DISCOVERY.
It builds up the body with sound flesh and solid muscle.

The dealer who offers a substitute for the "Discovery" is only seeking to make the little more profit realized on the sale of less meritorious preparations.

Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the paper covered book, or 31 stamps for the cloth bound. Address World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.

IPI HAD ECZEMA

I'd wash it away with that mild, soothing liquid, D. D. D. Trial bottle, 25c. Relieve all kinds of skin troubles, cleansing away the impurities and clearing up the complexion as nothing else can.

Yes, if I had any kind of skin trouble I'D USE D. D. D. For sale by the Linn Drug Co.

RETAIL MERCHANTS OF OREGON MEET IN BIG CONVENTION

W. A. Bell and S. H. Friendly, of Eugene, on Yesterday's Program

Salem, Or., Jan. 25.—Nearly 75 retail merchants from all parts of the state gathered this morning at Salem for the first session of the fifth annual convention of the Oregon Retail Merchants' association. The morning session was devoted to addresses of welcome from Mayor Louis Lachmann and from local merchants representing the Salem Business Men's league and the Salem board of trade, and responses from prominent visiting merchants.

H. S. Gile of Salem tendered the address of welcome for the Business Men's league. He was followed by W. A. Bell of Eugene. Max O. Burden spoke for the Salem board of trade, and he was followed in a response delivered by James Crag of Silverton. The present convention bids fair to be the most successful convention ever held by the Oregon retail merchants, and preparations have been made to entertain from 100 to 200 guests during the three days of the convention.

Many Problems to Be Discussed.
Many problems that confront the retail merchants are to be discussed informally during the three days' session, among them being advertising, figuring profits, the economy of cash discounts and losses sustained by long credits, the mail order evil and mail order advertising, the retail merchant's relation to the high cost of living, the relation of the railroad commission of Oregon to the retail merchants, to be discussed by Railroad Commissioner Clyde B. Atchison; business ethics and collections, the wisdom of special sales and a multitude of other problems.

The program also will include talks and discussions by active merchants and members of the association, such as Herman Wise of Astoria, F. W. Funk of Portland, J. G. Watts of Seaside, A. G. Hoffman of Forest Grove, William B. Hansen, credit man for Tull & Gibbs, Portland, W. I. Stanley, president of the Capital business college, Salem, J. W. Karler, president of the Crest-cent Manufacturing company, Seattle, and Sam H. Friendly of Eugene.

BREAKS UP A COLD IN SEVERAL HOURS

An Effective Way to Cure a Cold and End Grippe Misery

There is not one grain of quinine in Pope's Cold Compound, which, when taken every two hours, until three consecutive doses are taken, will surely end the grippe and break up the most severe cold, either in the head, chest, back, stomach or the limbs.

It promptly relieves the most miserable neuralgia pains, headache, dullness, head and nose stuffed up, feverishness, sneezing, sore throat, running of the nose, catarrhal affections, soreness, stiffness and rheumatic twinges.

Pope's Cold Compound is the result of three years' research at a cost of more than fifty thousand dollars, and contains no quinine, which we have conclusively demonstrated is not effective in the treatment of the grippe or colds.

Take this harmless compound as directed, with the knowledge that there is no other medicine made anywhere else in the world, which will cure your cold or end grippe misery as promptly or without any other assistance or bad after-effects as a 25-cent package of Pope's Cold Compound, which any druggist in the world can supply.

Boiled water served at the Hotel Osburn at all times.

GUARD CLASSIFIED ADS PAY.

STRIKE WHILE THE IRON IS HOT

That is, don't delay when the opportunity presents itself. This is an opportunity to get your carriage and wagon repaired at a very small cost. Later on when business is heavier we will have to charge regular rates. Do not neglect this chance.

BURBACK
531 OLIVE STREET

LEGISLATORS WERE PLEASED WITH VISIT HERE

Strenuous Day of Entertainment and Inspection at the University

The visit of the Oregon legislature to Eugene ended with a splendid banquet at the Hotel Osburn, lasting from 6 o'clock to 8:15, terminating barely in time for the visitors to get to the train, which left the station on the return trip at 8:30 p. m. The day had been a strenuous one, as well as an enjoyable one, for guests and entertainers alike, and the banquet was a fitting close.

E. S. Rolfe presided as toastmaster, and those who made appropriate remarks were, John M. Williams, Dr. W. Kuykendall, Judge Helms Thompson, E. S. Rolfe of Eugene, Representative Bigelow, Neuner and Senators Rinnott and Bowerman.

The U. of O. glee club and Henderson's orchestra furnished music during the evening and both were repeatedly encored. The glee club during the day sang not less than fifteen selections, and were enthusiastically applauded.

The meeting at Willard hall yesterday afternoon did not end until a late hour, the closing addresses being made by Representative McKinney, Senators Rinnott and Barrett, and President P. L. Campbell, of the University.

President Campbell closed the afternoon meeting with a strong appeal to the legislators, urging that earnest consideration be given to request made by the regents. He urged them from the standpoint of economical value which would return a hundred times the value for every dollar expended. He also urged them as a necessity of furnishing to every boy and girl in the state the wonderful opportunity that such boys and girls should be accorded. In addition he urged the necessity of developing the state university from a political standpoint.

"Whether Oregon has the best system of government in the world, or whether she has not is not the question," he said, "but it is certain that Oregon has a system of government which has undoubtedly come to stay and which will constantly confront us. It places the grave burdens of responsibility upon the individual voter and that individual voter should be so educated that he may safely be entrusted with the many responsibilities of government."

President Campbell also referred to the fact that the University of Oregon is not a school for the rich student saying that fully 70 per cent of the students are working their way through the institution.

\$570,000 Amount Sought.

Appropriations asked by the regents of the University of Oregon amount to \$575,000 or \$515,000 for the University at Eugene and \$60,000 for the medical department at Portland. Of the money asked the Eugene part or the main portion of university, the regents would use \$175,000 in the construction of a commonwealth building; \$165,000 in extension of the heating plant; payment of teachers and sundry expenses enumerated in detail in the bill, and \$175,000 for a fireproof library and gymnasium building.

At present there are no fireproof buildings on the university grounds and it is the hope of the regents to see a policy established which will mean fireproof buildings in the future.

Members of the ways and means committee of the house and senate made an inspection of the buildings in the afternoon, talked favorably in an informal meeting of higher education and of the aims and purposes of the institution, giving considerable encouragement to the university. Committee members made particular inquiry as to the correspondence school department work and seemed to show a decided interest in its promotion. At present 313 are taking active work in this department, although the school has been in operation for only two and one-half years.

THE ADVICE OF A FRIEND

Given to Those Who Need It
San Francisco, Cal.—To any one who is run down or who needs a good blood purifier, I want to recommend Vinol, the great cod liver and iron tonic. I was run down, feeling badly and only weighed about 140 pounds. I took a course of Vinol—it purified my blood, gave me a fine appetite and built me right up. Now I am well and strong, weigh 175 pounds, and, in fact, never felt better to my life.—John R. Charles, 3284 15th street, San Francisco, Cal. (We guarantee this testimonial to be genuine.)

Vinol is a delicious combination of the health-giving properties of the cod's liver, with the grease eliminated and tonic iron added, blended in a mild medicinal wine.

If your blood is poor or sluggish, your appetite poor, your digestion weak and your vitality not up to the standard or if you are suffering from chronic coughs, colds or bronchial troubles, try a bottle of Vinol with the understanding that your money will be returned if it does not help you. It could not do what all these people claim it did for them if it was not honest.

Red Cross Drug Co., Eugene Oregon.

Money saved is money made. Attend the ribbon sale tomorrow (Wednesday) at the Racket store. Eighty-cent to 35-cent ribbons will be sold at 15 cents per yard. 124

Y. M. C. A. CLASS IN GERMAN PROGRESSES

Instructions by Gustav Schmidt Are Given Twice Each Week

An enthusiastic class in conversational German met at the Y. M. C. A. at 7 o'clock Tuesday night for the first lesson under Gustav Schmidt, who is a native German and has already made a hit with the class. This class will meet twice each week, on Friday at 7 p. m. is the next hour for meeting. Those who want to learn much time on grammar until after they have learned enough of the common expressions to travel or carry on business conversations with Germans, are urged to enter the class at the very beginning.

Membership in the Y. M. C. A. is required of all who take educational work in the association, but the limited, half price membership is sufficient. If taken only a month at a time, this costs \$1.00. A charge of \$1.00 per month is also made for the instruction in German, and also for the privilege of belonging to the drawing class, which meets from 7 to 9:30 Wednesday nights and again for the same hours Friday. C. L. Stoddard is proving a fine teacher for the class in drawing, and it is expected that a number of carpenters will avail themselves of this opportunity of learning to read plans, and to prepare themselves for contract or other work for which preparation of this kind is necessary. The fact that this drawing class is attractive to this class of men has already been proven and the association will make every effort to interest men in the trades in the work.

The ladies' gymnasium class at the Y. M. C. A. last night was held from 7:30 to 8:30, and will not interfere with the match indoor baseball game between the Congregationalists and Presbyterians at 8:30. No admission was charged for this game and there was a large crowd present.

NEWS OF COTTAGE GROVE AND SOUTHERN LANE

J. I. Jones has gone to San Francisco on business connected with the equipment of his Dismal saw mill.

D. W. Cox of Klamath Falls, has bought the Arcade theatre from Chas. Hall and will take possession February 1. Mr. Hall has left on a complete moving picture outfit not in use here, which he will establish in some other good Oregon town.

H. H. Veach has gone to Portland to attend the annual meeting of the Hardware men's association. W. E. Landy and wife of Myrtle Point will also attend this meeting and visit Cottage Grove relatives on their way home arriving here about Friday.

John B. Perkins, an early Oregon pioneer, died at Haines, Or., on Tuesday night. The funeral services were held at the Presbyterian church at 2:30 o'clock Friday. Mr. Perkins was 77 years old and unmarried. He was born in Kentucky, from where he moved to Missouri in 1850, and came to Oregon in 1882, residing a portion of the time since at Cottage Grove, where he has two sisters, Mrs. J. P. Currin and Mrs. S. A. Wynne. Two brothers reside at Baker City. They are E. P. and W. B. Perkins. Interment took place at Shield's cemetery, near the grave of a younger brother.—Leader.

LOST VALLEY NOTES.

Special Correspondence.

Lost Valley, Jan. 23.—The snow was followed by heavy rains and warm winds, which caused all the streams to run bank full.

An oyster supper was given at the hall last Wednesday. Wm. Hamilton and Roy Addington were the leading ones in getting it up. The audience was entertained by the club rendering a few songs, and by Byron Dunton giving a perfect imitation of a bucking horse. Byron is a good comedian, and left his crowd in the best of humor. Several clever boxing bouts were also pulled off.

Roy Addington, Nell Moseley and Basil Parker are spending a week in Roseburg.

William Williams and Andrew Miller have returned from Vale, where they were called as witnesses in the horse stealing case.

Word has been received from Mrs. R. L. Jacobs and daughter, Maude. They have left Ashland, where they have been visiting for the past two weeks, and are now on the road to Denver.

Dolbert McDee was in Eugene last week. Mr. Galney Matthews has gone to California to spend the rest of the winter.

Frank Crown made a trip to Eugene Friday. Our valley sportsmen had great sport rabbit hunting, while the snow lasted. They, however, had poor finding.

There is some talk of a picnic social at the Baptist church February 10. However, the report has not been confirmed. It is supposed to be in charge of arrangements, so we have reason to doubt it.

SELF-GOVERNMENT BY STUDENTS PERFECTED

Oregon Agricultural College, Corvallis, Jan. 25.—The system of student government at the Oregon Agricultural College was perfected this week, when C. L. Jamison, of 1911, was elected to the council. There will be a meeting of the student body next week and the members of the governing body will be installed, and the officers will take up their new duties.

Woven Wire Fence

BEST ON

First---It is the strongest fence, made of the strongest wire.

Second---It is the most elastic fence, and springs back when released from any strain. Every wire tight and right.

Third---It is not controlled by the wire trust or any other trust. And It is double the strength of any common soft wire you are used to, by actual test. Are you from Missouri? I am here to show you.

Fourth---Fits the roughest ground as well as the smoothest.

Fifth---Only takes one-third as many posts, and don't bag or sag.

Sixth---It is the only wire with loop ends. No trouble to splice. Always even at ends.

Seventh---It has the best weave, and the only knot that holds fast and stays. Runs from top to bottom.

Eighth---It is the government standard fence.

Quackenbush & Sons, Eugene; Shay-Waymire Co., Cottage Grove; Creswell Hardware Company, Creswell.

severe stomach trouble. The doctor said it was nervous dyspepsia. I took his treatment four weeks, but did not feel any better. I took every thing I heard of. On the first day of December I got a box of Mi-o-na. I took them that afternoon and the next day and haven't had one bit of pain in my stomach since the 2nd of December. Feel well now, and sleep good."—Mrs. M. E. Maxfield, R. F. D. No. 2, Avoca, N. Y.

MI-O-NA is surely the best prescription for indigestion ever written. It relieves after-dinner distress, belching of gas, foul breath, heartburn and all stomach misery in five minutes.

It is guaranteed to permanently cure indigestion, acute or chronic, or any disease of the stomach, or money back. MI-O-NA stomach tablets are sold by the Red Cross Drug Co. and leading druggists everywhere at 50 cent a large box. Trial samples free of request from Booth's Mi-o-na, Buffalo, N. Y.
