When Your Fancy Turns to Spring Clothes Be Sure to Think of the Brownsville Store

It's time to cast aside your heavy, somber winter duds. They have served you long and well. But you are tired of them, and want something more bright and cheerful to put you in harmony with the freshness and newness of spring.

You will find many signs and suggestions of spring in our recently arrived stock of spring Clothes and Furnishings.

If you want guaranteed satisfaction and an opportunity to save money besides, this is the store for you. The sooner you make up your mind to prove this, the better we will like it and the better it will be for you.

Brownsville Clothes For Spring

For your own sake we want you to see the Brownsville styles for spring. Their style alone would recommend our clothes to you. But they also have other good points that ordinarily you would find only in high-priced clothes. We call special attention to the suits we show at \$15.00 that most places would cost you from \$18.00 to \$22.50. This means value for value, the lowest price you can get anywhere.

BOY'S CLOTHING HOW ABOUT THAT NEW SUIT

Bring the boys here if they need clothes. Our spring line is beyond reproach. We have made a study of boys' clothing and are sure we can please you if right treatment, right quality and right prices are considerations. All the newest shades of browns, grays and blues ranging from \$1.75 to \$6.50 the suit. Oregon Buckskin Suits \$5.00, guaranteed to give one year's satisfactory wear or a new one free.

You ought not to think of wearing that winter hat any longer. You will very soon decide to discard it when you see the handsome spring styles and shapes we have just received. All sizes, shapes and colors to fit and best become all heads.

LOCAL MAN GOT AX

WHERE HE NEEDED IT
Object Lesson by Merchant When It Comes to Buying From Mail Ored House

A rather amusing story told of a man who went into a local hardware store to purchase an ax. Being shown the article and informed that the price was \$1.15, he said: "Why, I can get that same kind of an ax from a mail-order house for 90 cents."
"Very well," said the hardware man; "I will give it to you for the same price, provided you will do the same with me as you will do with it."
"All right," replied the customer, as he handed over a dollar bill, the merchant giving him back 10 cents in change.
"Now," said the hardware man, "I want 25 cents more to pay express charges," which the customer gave him. "How much did your ax cost you?"
"One dollar and fifteen cents," the man answered.
"Very good. Now give me five cents more for money order fees and postage," which the purchaser had to hand over. "Now how much did your ax cost you?"
"One dollar and twenty cents," said the customer.
"Not so cheap after all," said the merchant, whereupon he picked up the ax, tossed it back on the shelf, and told the customer to call for it in three weeks, as that would be as soon as he could get it if he had ordered it from the mail order house.

BIG PORTLAND STORE IS SOLD

Olds, Wortman & King Purchased by Holz Brothers

The firm of Olds, Wortman & King yesterday closed contracts for the sale of the controlling interest in the great mercantile establishment at Morrison, Alder, West Park and Tenth streets to Aaron Holz, the junior partner, and his brother, Max Holz, of New York city. The transaction includes, besides the department store, the building and ground leases, stables, warehouses, and other properties. The amount involved is between \$3,000,000 and \$4,000,000. The Olds, Wortman & King company is incorporated for \$2,000,000 and the Portland Building company, a subsidiary corporation controlling the ground lease and building, is capitalized for \$500,000. The business will continue to be conducted under the name of Olds, Wortman & King. There will be no change in the policy of the institution, the retiring members of the firm retaining a substantial interest in the business.—Sunday Oregonian.
